1 The resolution and grant of Warrants

- 1.1 On 28 October 2020, the following warrant program (“Warrant Program”) was issued by the board of directors in Everfuel A/S, CVR no. 38 45 66 95, Ø. Høgildvej 4A, Høgild, 7400 Herning (“Company”) in accordance with the board resolution as of 20 October 2020 following the authorization adopted at the Company’s extraordinary general meeting held on 20 October 2020 in connection with the general meeting’s resolution to authorize the board of directors to issue a total of 1,058,504 warrants (“Warrant”/“Warrants”).
- 1.2 Each Warrant gives the participant a right – but not an obligation – to subscribe for one share with a nominal value of DKK 0,01 each in the Company against payment of the exercise price set out in clause 2.10 on the terms and subject to the conditions set forth in this Warrant Program.
- 1.3 The purpose of this Warrant Program is to grant the participants warrants in the Company in order to give the participants the opportunity to participate in the value created in the Company and to ensure that the Company and the participant have aligned interests and that both parties are working to ensure the value of the Company, and thereby ensure that the Company develops in the best possible way.
- 1.4 The Warrants are granted to employees (“Participant”/“Participants”), who are employed in the Company, in accordance with the individual grant letters issued by the Company to each Participant (“Grant Letter”).
- 1.5 In connection with the resolution to issue Warrants, the general meeting also adopted the resolution regarding the cash capital increase attached to the issue of Warrants, equal to an increase of the Company’s nominal share capital by a total amount of DKK 10,585.04 which amount may be increased or reduced if the clauses on adjustment set out in clause 4 in this Warrant Program so stipulate.
- 1.6 The issuance of the Warrants is authorized in the Company's articles of association in effect on the date of this Warrant Program and attached hereto as [schedule 1.6](#).

2 Consideration, vesting and exercise

- 2.1 Warrants are granted to the Participant free of charge, i.e. no consideration shall be paid by the Participants in connection with the granting of Warrants.
- 2.2 The Warrants are subject to vesting at the date of the annual general meeting’s approval of the Company’s annual report for FY2023 (“Vesting”).

-
- 2.3 Further, the Company's board of directors may at its sole discretion and at any time decide that the Vesting of Warrants shall be accelerated and that such acceleration shall apply to any or to all Participants. Thus, the Company's board of directors may at its sole discretion and without notice or any compensation to any other Participant decide to accelerate the Vesting of Warrants towards a specific Participant upon delivery of notice to such Participant in accordance with clause 2.6. Clauses 2.5 - 2.13 shall apply *mutatis mutandis* (apply with the necessary amendments, if any).
- 2.4 Vesting of Warrants is subject to the Participant's continued employment with the Company at the time of Vesting, cf. clause 5.
- 2.5 The Participants shall be entitled to exercise, either wholly or partly of minimum 20% of vested Warrants, (i) during a period of 2 years starting from Vesting ("Exercise Deadline") and within a window of 10 business day following the publication of the Company's annual or quarterly reports ("Exercise Window") or (ii) in case of a liquidation of the Company as further described in clause 4.1 (each, an "Exercise Event").
- 2.6 The Company shall inform the Participants about a possible Exercise Event if the reason for the Exercise Event is a liquidation of the Company no later than 10 business days prior to such Exercise Event.
- 2.7 In the event that a Participant wishes to exercise any or all of its Warrants, written notification to this effect must be received by the board of directors of the Company no later than either (i) 10 business days after the date of the Company's notification of a possible Exercise Event if the reason for the Exercise Event is a liquidation of the Company, or (ii) if the Exercise Event is due to the 2 year window described in clause 2.5(i), no later than the later of either the end of the last day of an Exercise Window or the end of the day of the Exercise Deadline. At the same time as giving notice of the exercise of Warrants, the Participant shall pay in cash to a bank account designated by the Company, the exercise price determined in accordance with clause 2.10.
- 2.8 If the Participant is in possession of inside information related to the Company as defined in the Market Abuse Regulation, the Participant may not exercise the vested Warrants and shall wait until the Participant is no longer in possession of inside information before exercising the Warrants. If the Participant is in possession of inside information relating to the Company on the last possible day for the Participant to exercise the vested Warrants, and the Participant – due to such possession of inside information – is not able to exercise the vested Warrants, the vested Warrants will not lapse until 5 business days after the date, where the Participant is no longer in possession of inside information ("Additional Exercise Window").
- 2.9 The Participant is solely responsible for being at all times informed of the terms and conditions of this Warrant Program. No claims can be raised against the Company or any

other Everfuel company as a result of the Participant not having been informed of the vesting of Warrants, the deadline for the exercise of vested Warrants or the need for any Additional Exercise Window.

- 2.10 The exercise price for each share issued upon exercise of the Warrants shall be the price per share at the time of listing of shares in the Company on the Norwegian Merkur Market (“Exercise Price”). The Exercise Price may be adjusted as set forth in this Warrant Program.
- 2.11 Upon a Participant’s exercise of Warrants, the Company’s board of directors must ensure that the Company’s shareholders’ register is amended to reflect each Participant’s holding of shares in the Company. Also, the Company’s board of directors must ensure that information regarding the Company’s legal and beneficial owners is registered (if a registration obligation is triggered) with the Danish Business Authority no later than 5 business days after the Participant’s exercise of Warrants.
- 2.12 Warrants that are not exercised in connection with a liquidation or upon expiration of the 2 years’ exercise window, in each case as set out in clause 2.5, shall lapse automatically and become null and void without further notice than the notice set out in clause 2.6 and without any compensation being payable to the Participant.
- 2.13 Until the Warrants are exercised, they do not entitle the Participant to any voting rights, right to dividends or other shareholder rights of any kind in relation to the Company or its shareholders.

3 Terms of new shares issued following exercise of Warrants and capital increase

- 3.1 The following terms and conditions shall apply to the new shares issued by the exercise of Warrants covered by this Warrant Program (“Shares”):
- a) the existing shareholders shall not have any pre-emptive right to the new Shares;
 - b) the new Shares issued on the basis of exercised Warrants shall be paid up in cash at the same date as the notice of the exercise of Warrants is forwarded by the Participant’s payment of the Exercise Price per share for each exercised Warrant;
 - c) the new Shares shall be registered in the name of the Participant in the Company’s register of shareholders;
 - d) the new Shares shall be negotiable;
 - e) the new Shares are freely transferable, as the Company’s articles of association do not contain restrictions on transferability;

-
- f) the new Shares shall confer the same pre-emption rights on the holder as the existing shares in connection with future capital increases;
 - g) the new Shares shall carry a right to dividend and other rights in the Company from the time when the relevant capital increase has been registered with the Danish Business Authority;
 - h) the shares of the Company are not divided into share classes; and
 - i) the Company shall pay the legal costs in connection with the issue of Warrants pursuant to this Warrant Program and the costs in connection with the subsequent exercise of the Warrants and the implementation of the capital increase.

3.2 In the event that the Participant provides due and timely notification of the exercise of the Warrants, the Company shall implement the relating capital increase pursuant to the terms set out in clause 3.1 no later than 10 business days after having received the exercise notification issued by the Participant in accordance with clause 2.7.

3.3 The maximum increase of capital that may be implemented on the basis of this Warrant Program is nominally DKK 10,585.04 which amount may be increased or reduced if the clauses on adjustment set out in clause 4 in this Warrant Program so stipulate.

4 Legal position in the event of liquidation, demerger, spin-off, merger or capital changes

4.1 In the event that the Company's general meeting passes a resolution to liquidate the Company (or another form of dissolution of the Company), the Company shall notify the Participant in writing to this effect. Following this notification, the Participant shall notify the Company in writing within 10 business days as from the date of the notification from the Company whether the Participant wishes to exercise the Warrants, wholly or partly, which have vested in accordance with clause 2. In so far as the Participant does not wish to exercise the Warrants, the Warrants shall automatically become void without compensation, following the expiry of the 10 business days' notification period, provided that the Company is finally liquidated as a result of the notified resolution. Exercise of the Warrants must be in accordance with clauses 2.4 - 2.11.

4.2 In the event that the general meeting passes a resolution to demerge the Company, the Participant shall – after the demerger – have the number of Warrants which shall entitle the Participant to subscribe for shares in the surviving company(-ies) where the Participant is employed following such demerger. The number of Warrants shall entitle the Participant to the same potential ownership interest which an exercise of Warrants prior to the demerger

would have resulted in, adjusted by the ratio between the values of the different surviving companies. Moreover, the terms applying to the surviving Warrants shall be the same as the terms and conditions as stipulated in this Warrant Program.

4.3 In the event that the general meeting passes a resolution to merge the Company, the Warrants granted to each Participant shall continue on unchanged terms if the Company is the surviving company. If such merger results in the Company being the discontinuing company, the Warrants granted to each Participant shall be transferred to the surviving company at an equivalent value based on the terms of trade regarding the shares in the merger. The same terms shall apply in the event of an exchange of all shares in the Company to shares in another company. Should the proportions between the payment for the shares in the discontinuing company and the value of the shares in the continuing company give rise thereto, the Exercise Price and/or the number of Shares that shall be issued for by the Participants' exercising the Warrants shall be adjusted upwards or downwards, as the case may be. Any paid cash amounts relating to a merger shall be deemed a capital reduction and result in adjustments as set out in clause e) below.

4.4 In case changes are made in the Company's capital structure – before the Participant has exercised Warrants – which entail a reduction or increase of the value of the Warrants granted, the Exercise Price and/or number of Warrants shall be adjusted, so that the value of the Warrants remains the same, in each case on the terms set forth in this clause 4.4, however, with the exceptions set forth in this Warrant Program, including clauses 4.5 - 4.7. Changes made in the Company's capital structure shall for the purpose of this clause only comprise:

- a) change of the nominal value of the shares in the Company;
- b) increase of the Company's share capital by subscription of new shares at a price below market price;
- c) issue of bonus shares in the Company (e.g. stock dividend);
- d) distribution of dividends;
- e) decrease of the share capital of the Company by means of payment to the shareholders;
and
- f) issue of warrants, debt instruments or other instruments convertible into shares in the Company below market value.

4.5 The Exercise Price shall not be reduced to a price lower than the nominal value of the shares (par value). If an adjustment of the Warrants to preserve their value would result in the Exercise Price being reduced to below par (a price below 100), the number of Warrants (and

thus the number of Shares issued upon exercise) shall be amended to preserve the same value of the Warrants at an exercise price at par value.

4.6 If the share capital is reduced in order to cover losses, the number of Shares which shall be issued to the Participant by exercising the Warrants shall be reduced (rounded down in case of fractions) proportionately to the nominal reduction of the capital compared to the total nominal share capital of the Company before the reduction.

4.7 Notwithstanding the foregoing, the following changes in the capital structure of the Company shall not result in any adjustment of the Exercise Price or the number of Warrants:

a) An increase or reduction of the Company's capital at market price. To the extent an increase of the Company's capital occurs to a bona fide third party unaffiliated with the shareholders, there is an assumption about the increase occurring at market price.

b) Issue of warrants, convertible debt instruments or the like to third parties on usual market terms as part of ordinary financing.

c) Any issue of shares, warrants, convertible debt instruments or the like to the Share group's employees, managers, consultants or members of the board of directors in accordance with an employee incentive Program.

4.8 If the number of new Shares that may be issued by exercise of Warrants is adjusted upwards in accordance with this clause 4, the maximum amount which the Company's share capital can be increased with pursuant to 3.3 and the articles of association shall be increased, accordingly.

4.9 Subject to the provisions of this Warrant Program, the Company's board of directors shall determine whether and to what extent a merger, demerger or an implemented change in the capital structure of the Company gives rise to an adjustment of the Exercise Price and/or number of Warrants.

4.10 Any adjustment of the Exercise Price and/or number of Warrants shall be determined by the Company's board of directors and notified in writing to the Participant no later than thirty business days after implementation of the relevant change in the capital structure of the Company.

5 Termination of employment

5.1 Pursuant to clause 2.4, it is a condition for the vesting of Warrants that the Participant is employed with the Company or a company within the Everfuel Group at the time of Vesting.

-
- 5.2 If the Participant's employment with the Company terminates due to; (i) the Participant's death; (ii) the Participant's retirement in accordance with the Participant's employment contract or requirement of law; (iii) the Participant's long-term illness, meaning illness for a period of 6 months or more in which the Participant's is unable to fulfil its duties according to the Participant's employment contract; (iv) the Participant's termination of employment due to the Company's material breach of the Participant's employment contract; (v) the Participant being declared bankrupt (or similar insolvency status under locally applicable law), (vi) the Company's termination of the Participant's employment contract without the Participant giving probable cause hereto (in Danish: "*opsigelse uden misligholdelse*"), or (vii) the Participant applying for insolvency proceedings, including but not limited to insolvency procedures under locally applicable law, the Participant shall be considered a good leaver ("Good Leaver").
- 5.3 If the Participant is considered as a Good Leaver, the Participant shall be entitled to a pro rate vesting of Warrants. The Participant's right to a pro rate vesting of Warrants shall be calculated based on the number of complete months of the Participant's full time employment with the Company from (i) the issue of the Grant Letter (ii) compared to the number of complete months to Vesting. The Participants shall be entitled to exercise, wholly or partly, all vested Warrants at the next Exercise Window after the effective date of the termination of the Participant's employment. Clause 2.7 shall apply *mutatis mutandis*. Unvested Warrants shall automatically and without further notice and without any compensation to the Participant be annulled.
- 5.4 If the Participant's employment with the Company is terminated due to (i) the Participant's termination of the Participant's employment contract and such termination is not a result of the Company's or the relevant Everfuel Group company's material breach of the Participant's employment contract, (ii) the Participant's material breach of the employment contracts, (iii) the Company's or the relevant Everfuel Group company's termination of the Participant's employment due to probable cause (in Danish; "*saglig opsigelse*") or (iv) the Company's or the relevant Everfuel Group company's justified summary dismissal (in Danish; "*bortvisning*"), the Participant shall be considered a bad leaver ("Bad Leaver").
- 5.5 If the Participant is considered a Bad Leaver, the Warrants (whether being vested Warrants or unvested Warrants) shall automatically and without further notice and without any compensation to the Participant be annulled.

6 Cash settlement

- 6.1 If the Participant has the right to receive issued Shares based on vested Warrants, the Company's board of directors may in its sole discretion decide to make the settlement in cash instead of issuing Shares.

6.2 If the board of directors decides to settle in cash, the value of each Share shall be determined based on the (i) average closing price for the Company's shares on the Norwegian Merkur Market the last 5 trading days prior to the board of directors notice, cf. clause 6.3, (ii) less the Exercise Price (provided that the Exercise Price has not been paid).

6.3 If the board of directors decides to make the settlement in cash instead of issuing new Shares, the Company must inform the Participant hereof no later than on the date when the Company was to implement the capital increase pursuant to clause 3.2.

7 Inside trading

7.1 Sale of shares subscribed for by any exercise of Warrants is subject to the provisions on insider trading applicable at any time, including any internal rules governing trade in shares and securities issued by the Company.

Consequently, the Warrants may not be assigned to neither a Participant's holding company nor to the Participant's spouse. In case of a Participant's death, the Participant will be considered a Good Leaver, cf. clause 5.2 and thus the estate after the Participant will be subject to the rights and terms set out in this Warrant Program, cf. clause 5.3.

8.2 The Warrants and Shares or the value of such Shares are not to be included in calculations based on the Participant's salary, including any pension contributions, severance payment, any other agreed or compulsory compensation or damages etc., just as holiday pay or holiday allowance is not to be calculated on the basis of the value of any Warrants or Shares.

8.3 The board of directors may suspend or change the issue of Shares if the board of directors deems it necessary in order for the Company or its subsidiaries to comply with relevant Danish and foreign legislation and administrative rules and regulations. If due to a suspension or change caused by relevant Danish and foreign legislation and administrative rules and regulations, the Shares cannot be issued, the issue of Shares will take place as soon as possible.

8.4 Should any provision of this Warrant Program be or become invalid in whole or in part, this shall not affect the validity of the remaining provisions of this Warrant Program. The invalid provision shall be replaced by a provision permitted by statute which most closely approximates the intended economic result of the invalid provision. The Participants will not be able to claim any compensation from the Company due to such circumstances.

9 Tax

9.1 Any tax and social security contribution implications for the Participants resulting from any grant of Warrants or issue of Shares are of no concern to the Company.

9.2 In the event that, as a consequence of the granting of Warrants or issue of Shares, the Company becomes obliged to pay any taxes, social security contributions or any other taxes or contributions, the Company reserves the right to postpone or prohibit issue of the Shares until such time as such Participant shall have paid to the Company, the relevant amount of such taxes, social security contributions or any other taxes or contributions. The Company reserves the right to (i) deduct the amount of such taxes, social security contributions or other taxes or contributions from the salary payable to the Participant, or (ii) to dispose of all or part of the Shares in order to satisfy the Participant's obligations.

10 Data protection

10.1 In accordance with the General Data Protection Regulation, the Participant is hereby informed that the personal data relating to his/her name, contact details, holding of Warrants and Shares and salary will be processed to administrate the Warrants, to ensure fulfillment of the Company's contractual obligations toward the Participant, and to comply with applicable laws, regulations and court orders. The personal data will further be transferred from the Company to public authorities to the extent required in connection with the allocation or administration of the Warrants and the issue of Shares. More comprehensive information about the processing of the Participant's personal data, including the Participant's rights with respect to such processing, can be obtained from the Company upon request.

The place of the arbitration shall be Copenhagen, Denmark and the language of the proceedings shall be English, unless otherwise agreed. If more than one Participant becomes subject to arbitration proceedings, fully or partly due to the same set of factual circumstances, such parties agree that the cases can be dealt with jointly by one arbitration tribunal. 1 The resolution and grant of Warrants

- 1.1 On 28 October 2020, the following warrant program (“CEO Warrant Program”) was issued by the board of directors in Everfuel A/S, CVR no. 38 45 66 95, Ø. Høgildvej 4A, Høgild, 7400 Herning (“Company”) in accordance with the board resolution as of 20 October 2020 following the authorization adopted at the Company’s extraordinary general meeting held on 20 October 2020 in connection with the general meeting’s resolution to authorize the board of directors to issue a total of 488,000 warrants (“Warrant”/“Warrants”).
- 1.2 Each Warrant gives the participant a right – but not an obligation – to subscribe for one share with a nominal value of DKK 0,01 each in the Company against payment of the exercise price set out in clause 2.10 on the terms and subject to the conditions set forth in this CEO Warrant Program.
- 1.3 The purpose of this CEO Warrant Program is to grant the CEO of the Company warrants in the Company in order to give the CEO the opportunity to participate in the value created in the Company and to ensure that the Company and the CEO have aligned interests and that both parties are working to ensure the value of the Company, and thereby ensure that the Company develops in the best possible way.
- 1.4 The Warrants are granted to the CEO of the Company (“CEO”) in accordance with the individual grant letters issued by the Company to the CEO (“CEO Grant Letter”).
- 1.5 In connection with the resolution to issue Warrants, the general meeting also adopted the resolution regarding the cash capital increase attached to the issue of Warrants, equal to an increase of the Company’s nominal share capital by a total amount of DKK 4,088.00 which amount may be increased or reduced if the clauses on adjustment set out in clause 4 in this CEO Warrant Program so stipulate.
- 1.6 The issuance of the Warrants is authorized in the Company’s articles of association in effect on the date of this CEO Warrant Program and attached hereto as schedule 1.6.

2 Consideration, vesting and exercise

- 2.1 Warrants are granted to the CEO free of charge, i.e. no consideration shall be paid by the CEO in connection with the granting of Warrants.
- 2.2 The Warrants are subject to vesting as follows;
- a) 1/2 of the Warrants, equal to 244,000 Warrants, vest (i) at the earliest on the date of the annual general meeting’s approval of the Company’s annual report for FY2028 and no later than at the closing of the trading window in March 2031 (ii) provided that

the Company's average share price per share for a period of 3 consecutive months increases to a level of 10 multiplied the Exercise Price, as defined in clause 2.10 below, ("Multiplier Threshold 10") and this threshold is reached no later than at the closing of the trading window in March 2031 ("Vesting 1").

b) 1/2 of the Warrants, equal to 244,000 Warrants, vest (i) at the earliest on the date of the annual general meeting's approval of the Company's annual report for FY2028 and no later than at the closing of the trading window in March 2031 (ii) provided that the Company's average share price per share for a period of 3 consecutive months increases to a level of 20 multiplied the Exercise Price, as defined in clause 2.10 below, ("Multiplier Threshold 20") and this threshold is reached no later than at the closing of the trading window in March 2031 ("Vesting 2").

2.3 Further, the Company's board of directors may at its sole discretion and at any time decide that the Vesting of Warrants shall be accelerated and that such acceleration shall apply to the CEO upon delivery of notice to the CEO in accordance with clause 2.6. Clauses 2.5 - 2.13 shall apply *mutatis mutandis* (apply with the necessary amendments, if any).

2.4 Vesting of Warrants is subject to the CEO's continued employment with the Company at the time of Vesting 1 and Vesting 2, cf. clause 5.

2.5 The CEO shall be entitled to exercise, either wholly or partly of minimum 20% of vested Warrants, (i) during a period starting from Vesting 1 and within a window of 10 business day following the publication of the Company's annual or quarterly reports ("Exercise Window") and no later than at the closing of the trading window in March 2031 ("Exercise Deadline"), (ii) during a period starting from Vesting 2 and within the Exercise Window and no later than at the Exercise Deadline at the closing of the trading window in March 2031 or (iii) in case of a liquidation of the Company as further described in clause 4.1 (each, an "Exercise Event").

2.6 The Company shall inform the CEO about a possible Exercise Event if the reason for the Exercise Event is a liquidation of the Company no later than 10 business days prior to such Exercise Event.

2.7 In the event that the CEO wishes to exercise any or all of its Warrants, written notification to this effect must be received by the board of directors of the Company no later than either (i) 10 business days after the date of the Company's notification of a possible Exercise Event if the reason for the Exercise Event is a liquidation of the Company, or (ii) if the Exercise Event is due to the window described in clause 2.5(i) – 2.5(ii), within an Exercise Window and no later than at the Exercise Deadline at the closing of the trading window in March 2031. At the same time as giving notice of the exercise of Warrants, the CEO shall pay in cash to a bank account designated by the Company, the exercise price determined in accordance with clause 2.10.

-
- 2.8 If the CEO is in possession of inside information related to the Company as defined in the Market Abuse Regulation, the CEO may not exercise the vested Warrants and shall wait until the CEO is no longer in possession of inside information before exercising the Warrants. If the CEO is in possession of inside information relating to the Company on the last possible day for the CEO to exercise the vested Warrants, and the CEO – due to such possession of inside information – is not able to exercise the vested Warrants, the vested Warrants will not lapse until 5 business days after the date, where the CEO is no longer in possession of inside information (“Additional Exercise Window”).
- 2.9 The CEO is solely responsible for being at all times informed of the terms and conditions of this CEO Warrant Program. No claims can be raised against the Company or any other Everfuel company as a result of the CEO not having been informed of the vesting of Warrants, the deadline for the exercise of vested Warrants or the need for any Additional Exercise Window.
- 2.10 The exercise price for each share issued upon exercise of the Warrants shall be the strike price per share at the time of listing of shares in the Company on the Norwegian Merkur Market (“Exercise Price”). The Exercise Price may be adjusted as set forth in this CEO Warrant Program.
- 2.11 Upon the CEO’s exercise of Warrants, the Company’s board of directors must ensure that the Company’s shareholders’ register is amended to reflect the CEO’s holding of shares in the Company. Also, the Company’s board of directors must ensure that information regarding the Company’s legal and beneficial owners is registered (if a registration obligation is triggered) with the Danish Business Authority no later than 5 business days after the CEO’s exercise of Warrants.
- 2.12 Warrants that are not exercised in connection with a liquidation or by the Exercise Deadline as set out in clause 2.5(i) and 2.5(ii), shall lapse automatically and become null and void without further notice and without any compensation being payable to the CEO.
- 2.13 Until the Warrants are exercised, they do not entitle the CEO to any voting rights, right to dividends or other shareholder rights of any kind in relation to the Company or its shareholders.

3 Terms of new shares issued following exercise of Warrants and capital increase

- 3.1 The following terms and conditions shall apply to the new shares issued by the exercise of Warrants covered by this CEO Warrant Program (“Shares”):
- a) the existing shareholders shall not have any pre-emptive right to the new Shares;

-
- b) the new Shares issued on the basis of exercised Warrants shall be paid up in cash at the same date as the notice of the exercise of Warrants is forwarded by the CEO's payment of the Exercise Price per share for each exercised Warrant;
 - c) the new Shares shall be registered in the name of the CEO in the Company's register of shareholders;
 - d) the new Shares shall be negotiable;
 - e) the new Shares are freely transferable, as the Company's articles of association do not contain restrictions on transferability;
 - f) the new Shares shall confer the same pre-emption rights on the holder as the existing shares in connection with future capital increases;
 - g) the new Shares shall carry a right to dividend and other rights in the Company from the time when the relevant capital increase has been registered with the Danish Business Authority;
 - h) the shares of the Company are not divided into share classes; and
 - i) the Company shall pay the legal costs in connection with the issue of Warrants pursuant to this CEO Warrant Program and the costs in connection with the subsequent exercise of the Warrants and the implementation of the capital increase.

3.2 In the event that the CEO provides due and timely notification of the exercise of the Warrants, the Company shall implement the relating capital increase pursuant to the terms set out in clause 3.1 no later than 10 business days after having received the exercise notification issued by the CEO in accordance with clause 2.7.

3.3 The maximum increase of the Company's share capital that may be implemented on the basis of this CEO Warrant Program is nominally DKK 4,880.00 which amount may be increased or reduced if the clauses on adjustment set out in clause 4 in this CEO Warrant Program so stipulate.

4 Legal position in the event of liquidation, demerger, spin-off, merger or capital changes

4.1 In the event that the Company's general meeting passes a resolution to liquidate the Company (or another form of dissolution of the Company), the Company shall notify the CEO in writing to this effect. Following this notification, the CEO shall notify the Company in writing within

10 business days as from the date of the notification from the Company whether the CEO wishes to exercise the Warrants, wholly or partly, which have vested in accordance with clause 2. In so far as the CEO does not wish to exercise the Warrants, the Warrants shall automatically become void without compensation, following the expiry of the 10 business days' notification period, provided that the Company is finally liquidated as a result of the notified resolution. Exercise of the Warrants must be in accordance with clauses 2.4 - 2.11.

- 4.2 In the event that the general meeting passes a resolution to demerge the Company, the CEO shall – after the demerger – have the number of Warrants which shall entitle him to subscribe for shares in the surviving company(-ies) where the CEO is employed following such demerger. The number of Warrants shall entitle the CEO to the same potential ownership interest which an exercise of Warrants prior to the demerger would have resulted in, adjusted by the ratio between the values of the different surviving companies. Moreover, the terms applying to the surviving Warrants shall be the same as the terms and conditions as stipulated in this CEO Warrant Program.
- 4.3 In the event that the general meeting passes a resolution to merge the Company, the Warrants granted to the CEO shall continue on unchanged terms if the Company is the surviving company. If such merger results in the Company being the discontinuing company, the Warrants granted to the CEO shall be transferred to the surviving company at an equivalent value based on the terms of trade regarding the shares in the merger. The same terms shall apply in the event of an exchange of all shares in the Company to shares in another company. Should the proportions between the payment for the shares in the discontinuing company and the value of the shares in the continuing company give rise thereto, the Exercise Price and/or the number of Shares that shall be issued for by the CEO exercising the Warrants shall be adjusted upwards or downwards, as the case may be. Any paid cash amounts relating to a merger shall be deemed a capital reduction and result in adjustments as set out in clause e) below.
- 4.4 In case changes are made in the Company's capital structure – before the CEO has exercised Warrants – which entail a reduction or increase of the value of the Warrants granted, the Exercise Price and/or number of Warrants shall be adjusted, so that the value of the Warrants remains the same, in each case on the terms set forth in this clause 4.4, however, with the exceptions set forth in this CEO Warrant Program, including clauses 4.5 - 4.7. Changes made in the Company's capital structure shall for the purpose of this clause only comprise:
- a) change of the nominal value of the shares in the Company;
 - b) increase of the Company's share capital by subscription of new shares at a price below market price;
 - c) issue of bonus shares in the Company (e.g. stock dividend);

-
- d) distribution of dividends;
 - e) decrease of the share capital of the Company by means of payment to the shareholders;
and
 - f) issue of warrants, debt instruments or other instruments convertible into shares in the Company below market value.
- 4.5 The Exercise Price shall not be reduced to a price lower than the nominal value of the shares (par value). If an adjustment of the Warrants to preserve their value would result in the Exercise Price being reduced to below par (a price below 100), the number of Warrants (and thus the number of Shares issued upon exercise) shall be amended to preserve the same value of the Warrants at an exercise price at par value.
- 4.6 If the share capital is reduced in order to cover losses, the number of Shares which shall be issued to the CEO by exercising the Warrants shall be reduced (rounded down in case of fractions) proportionately to the nominal reduction of the capital compared to the total nominal share capital of the Company before the reduction.
- 4.7 Notwithstanding the foregoing, the following changes in the capital structure of the Company shall not result in any adjustment of the Exercise Price or the number of Warrants:
- a) An increase or reduction of the Company's capital at market price. To the extent an increase of the Company's capital occurs to a bona fide third party unaffiliated with the shareholders, there is an assumption about the increase occurring at market price.
 - b) Issue of warrants, convertible debt instruments or the like to third parties on usual market terms as part of ordinary financing.
 - c) Any issue of shares, warrants, convertible debt instruments or the like to the Share group's employees, managers, consultants or members of the board of directors in accordance with an employee incentive Program.
- 4.8 If the number of new Shares that may be issued by exercise of Warrants is adjusted upwards in accordance with this clause 4, the maximum amount which the Company's share capital can be increased with pursuant to 3.3 and the articles of association shall be increased, accordingly.
- 4.9 Subject to the provisions of this CEO Warrant Program, the Company's board of directors shall determine whether and to what extent a merger, demerger or an implemented change in

the capital structure of the Company gives rise to an adjustment of the Exercise Price and/or number of Warrants.

- 4.10 Any adjustment of the Exercise Price and/or number of Warrants shall be determined by the Company's board of directors and notified in writing to the CEO no later than thirty business days after implementation of the relevant change in the capital structure of the Company.

5 Termination of employment

- 5.1 Pursuant to clause 2.4, it is a condition for the vesting of Warrants that the CEO is employed with the Company or a company within the Everfuel Group at the time of Vesting 1 and Vesting 2, respectively.

- 5.2 If the CEO's employment with the Company terminates due to; (i) the CEO's death; (ii) the CEO's retirement in accordance with the CEO's service contract or requirement of law; (iii) the CEO's long-term illness, meaning illness for a period of 6 months or more in which the CEO is unable to fulfil its duties according to the CEO's service contract; (iv) the CEO's termination of employment due to the Company's material breach of the CEO's service contract; (v) the CEO being declared bankrupt (or similar insolvency status under locally applicable law), (vi) the Company's termination of the CEO's service contract without the CEO giving probably course hereto (in Danish: "*opsigelse uden misligholdelse*"), or (vii) the CEO applying for insolvency proceedings, including but not limited to insolvency procedures under locally applicable law, the CEO shall be considered a good leaver ("Good Leaver").

- 5.3 If the CEO is considered as a Good Leaver, the CEO shall be entitled to a pro rate vesting of the Warrants subject to Vesting 1 and Vesting 2, provided that the Multiplier Threshold 10 and the Multiplier Threshold 20, respectively, have been reached at the time of the CEO's termination as Good Leaver. The CEO's right to a pro rate vesting of Warrants subject to Vesting 1 and Vesting 2 shall be calculated based on the number of complete months of the CEO's full time employment with the Company from (i) the issue of the CEO Grant Letter (ii) compared to the number of complete months to the Exercise Deadline at the closing of the trading window in March 2031, respectively. The CEO shall be entitled to exercise, wholly or partly, all vested Warrants at the next Exercise Window after the effective date of the termination of the CEO's employment. Clause 2.7 shall apply *mutatis mutandis*. Unvested Warrants shall automatically and without further notice and without any compensation to the CEO be annulled.

- 5.4 If the CEO's employment with the Company is terminated due to (i) the CEO's termination of the CEO's service contract and such termination is not a result of the Company's or the relevant Everfuel Group company's material breach of the CEO's service contract, (ii) the CEO's material breach of the CEO's service contracts, (iii) the Company's or the relevant Everfuel Group company's termination of the CEO's employment due to probable cause (in

Danish; “*saglig opsigelse*”) or (iv) the Company’s or the relevant Everfuel Group company’s justified summary dismissal of the CEO (in Danish; “*bortvisning*”), the CEO shall be considered a bad leaver (“Bad Leaver”).

- 5.5 If the CEO is considered a Bad Leaver, the Warrants (whether being vested Warrants or unvested Warrants) shall automatically and without further notice and without any compensation to the CEO be annulled.

6 Cash settlement

- 6.1 If the CEO has the right to receive issued Shares based on vested Warrants, the Company’s board of directors may in its sole discretion decide to make the settlement in cash instead of issuing Shares.

- 6.2 If the board of directors decides to settle in cash, the value of each Share shall be determined based on the (i) average closing price for the Company’s shares on the Norwegian Merkur Market the last 5 trading days prior to the board of directors notice, cf. clause 6.3, (ii) less the Exercise Price (provided that the Exercise Price has not been paid).

- 6.3 If the board of directors decides to make the settlement in cash instead of issuing new Shares, the Company must inform the CEO hereof no later than on the date when the Company was to implement the capital increase pursuant to clause 3.2.

7 Inside trading

- 7.1 Sale of shares subscribed for by any exercise of Warrants is subject to the provisions on insider trading applicable at any time, including any internal rules governing trade in shares and securities issued by the Company.

8 Other terms and conditions

- 8.1 The Warrants are a personal right that cannot be assigned, pledged or used as payment to the CEO’s creditors. Consequently, the Warrants may not be assigned to neither a CEO’s holding company nor to the CEO’s spouse. In case of a CEO’s death, the CEO will be considered a Good Leaver, cf. clause 5.2 and thus the estate after the CEO will be subject to the rights and terms set out in this CEO Warrant Program, cf. clause 5.3.

- 8.2 The Warrants and Shares or the value of such Shares are not to be included in calculations based on the CEO’s salary, including any pension contributions, severance payment, any other agreed or compulsory compensation or damages etc., just as holiday pay or holiday allowance is not to be calculated on the basis of the value of any Warrants or Shares.

8.3 The board of directors may suspend or change the issue of Shares if the board of directors deems it necessary in order for the Company or its subsidiaries to comply with relevant Danish and foreign legislation and administrative rules and regulations. If due to a suspension or change coursed by relevant Danish and foreign legislation and administrative rules and regulations, the Shares cannot be issued, the issue of Shares will take place as soon as possible.

8.4 Should any provision of this CEO Warrant Program be or become invalid in whole or in part, this shall not affect the validity of the remaining provisions of this CEO Warrant Program. The invalid provision shall be replaced by a provision permitted by statute which most closely approximates the intended economic result of the invalid provision. The CEO will not be able to claim any compensation from the Company due to such circumstances.

9 Tax

9.1 Any tax and social security contribution implications for the CEO resulting from any grant of Warrants or issue of Shares are of no concern to the Company.

9.2 In the event that, as a consequence of the granting of Warrants or issue of Shares, the Company becomes obliged to pay any taxes, social security contributions or any other taxes or contributions, the Company reserves the right to postpone or prohibit issue of the Shares until such time as such CEO shall have paid to the Company, the relevant amount of such taxes, social security contributions or any other taxes or contributions. The Company reserves the right to (i) deduct the amount of such taxes, social security contributions or other taxes or contributions from the salary payable to the CEO, or (ii) to dispose of all or part of the Shares in order to satisfy the CEO's obligations.

10 Data protection

10.1 In accordance with the General Data Protection Regulation, the CEO is hereby informed that the personal data relating to his name, contact details, holding of Warrants and Shares and salary will be processed to administrate the Warrants, to ensure fulfillment of the Company's contractual obligations toward the CEO, and to comply with applicable laws, regulations and court orders. The personal data will further be transferred from the Company to public authorities to the extent required in connection with the allocation or administration of the Warrants and the issue of Shares. More comprehensive information about the processing of the CEO's personal data, including the CEO's rights with respect to such processing, can be obtained from the Company upon request.

11 Governing law and venue

11.1 The construction, validity and performance of this CEO Warrant Program shall be governed by and construed in accordance with the laws of Denmark without regard to conflicts of laws

principles.

- 11.2 Any dispute, controversy or claim arising out of or relating to this CEO Warrant Program, or its breach, termination or validity shall be settled by arbitration in accordance with the Rules of Procedure of the Danish Institute of Arbitration. The place of the arbitration shall be Copenhagen, Denmark and the language of the proceedings shall be English, unless otherwise agreed. The arbitration tribunal shall decide the distribution of costs connected with the arbitration case. The existence of an arbitration case as well as any ruling made by the arbitration tribunal shall be kept in strict confidence.

- 2.5 The Participants shall be entitled to exercise, either wholly or partly of minimum 20% of vested Warrants, (i) during a period of 2 years starting from Vesting ("Exercise Deadline") and within a window of 10 business day following the publication of the Company's annual or quarterly reports ("Exercise Window") or (ii) in case of a liquidation of the Company as further described in clause 4.1 (each, an "Exercise Event").
- 2.6 The Company shall inform the Participants about a possible Exercise Event if the reason for the Exercise Event is a liquidation of the Company no later than 10 business days prior to such Exercise Event.
- 2.7 In the event that a Participant wishes to exercise any or all of its Warrants, written notification to this effect must be received by the board of directors of the Company no later than either (i) 10 business days after the date of the Company's notification of a possible Exercise Event if the reason for the Exercise Event is a liquidation of the Company, or (ii) if the Exercise Event is due to the 2 year window described in clause 2.5(i), no later than the later of either the end of the last day of an Exercise Window or the end of the day of the Exercise Deadline. At the same time as giving notice of the exercise of Warrants, the Participant shall pay in cash to a bank account designated by the Company, the exercise price determined in accordance with clause 2.10.
- 2.8 If the Participant is in possession of inside information related to the Company as defined in the Market Abuse Regulation, the Participant may not exercise the vested Warrants and shall wait until the Participant is no longer in possession of inside information before exercising the Warrants. If the Participant is in possession of inside information relating to the Company on the last possible day for the Participant to exercise the vested Warrants, and the Participant – due to such possession of inside information – is not able to exercise the vested Warrants, the vested Warrants will not lapse until 5 business days after the date, where the Participant is no longer in possession of inside information ("Additional Exercise Window").
- 2.9 The Participant is solely responsible for being at all times informed of the terms and conditions of this Warrant Program. No claims can be raised against the Company or any other Everfuel company as a result of the Participant not having been informed of the vesting of Warrants, the deadline for the exercise of vested Warrants or the need for any Additional Exercise Window.
- 2.10 The exercise price for each share issued upon exercise of the Warrants shall be NOK 79.46 per

share of nominally DKK 0,01 (“Exercise Price”), equal to the as the average closing price per share in the Company as traded under ISIN code DK0061414711 for the last 10 days prior to the issue of this Warrant Program. The Exercise Price may be adjusted as set forth in this Warrant Program.

- 2.11 Upon a Participant’s exercise of Warrants, the Company’s board of directors must ensure that the Company’s shareholders’ register is amended to reflect each Participant’s holding of shares in the Company. Also, the Company’s board of directors must ensure that information regarding the Company’s legal and beneficial owners is registered (if a registration obligation is triggered) with the Danish Business Authority no later than 5 business days after the Participant’s exercise of Warrants.
- 2.12 Warrants that are not exercised in connection with a liquidation or upon expiration of the 2 years’ exercise window, in each case as set out in clause 2.5, shall lapse automatically and become null and void without further notice than the notice set out in clause 2.6 and without any compensation being payable to the Participant.
- 2.13 Until the Warrants are exercised, they do not entitle the Participant to any voting rights, right to dividends or other shareholder rights of any kind in relation to the Company or its shareholders.

3 Terms of new shares issued following exercise of Warrants and capital increase

- 3.1 The following terms and conditions shall apply to the new shares issued by the exercise of Warrants covered by this Warrant Program (“Shares”):
- a) the existing shareholders shall not have any pre-emptive right to the new Shares;
 - b) the new Shares issued on the basis of exercised Warrants shall be paid up in cash at the same date as the notice of the exercise of Warrants is forwarded by the Participant’s payment of the Exercise Price per share for each exercised Warrant;
 - c) the new Shares shall be registered in the name of the Participant in the Company’s register of shareholders;
 - d) the new Shares shall be negotiable;
 - e) the new Shares are freely transferable, as the Company’s articles of association do not contain restrictions on transferability;
 - f) the new Shares shall confer the same pre-emption rights on the holder as the existing shares in connection with future capital increases;

- g) the new Shares shall carry a right to dividend and other rights in the Company from the time when the relevant capital increase has been registered with the Danish Business Authority;
- h) the shares of the Company are not divided into share classes; and
- i) the Company shall pay the legal costs in connection with the issue of Warrants pursuant to this Warrant Program and the costs in connection with the subsequent exercise of the Warrants and the implementation of the capital increase.

3.2 In the event that the Participant provides due and timely notification of the exercise of the Warrants, the Company shall implement the relating capital increase pursuant to the terms set out in clause 3.1 no later than 10 business days after having received the exercise notification issued by the Participant in accordance with clause 2.7.

3.3 The maximum increase of capital that may be implemented on the basis of this Warrant Program is nominally DKK 1856.85, equal to 185,685 of shares of nominally DKK 0,01 each, which amount may be increased or reduced if the clauses on adjustment set out in clause 4 in this Warrant Program so stipulate.

4 Legal position in the event of liquidation, demerger, spin-off, merger or capital changes

4.1 In the event that the Company's general meeting passes a resolution to liquidate the Company (or another form of dissolution of the Company), the Company shall notify the Participant in writing to this effect. Following this notification, the Participant shall notify the Company in writing within 10 business days as from the date of the notification from the Company whether the Participant wishes to exercise the Warrants, wholly or partly, which have vested in accordance with clause 2. In so far as the Participant does not wish to exercise the Warrants, the Warrants shall automatically become void without compensation, following the expiry of the 10 business days' notification period, provided that the Company is finally liquidated as a result of the notified resolution. Exercise of the Warrants must be in accordance with clauses 2.4 - 2.11.

4.2 In the event that the general meeting passes a resolution to demerge the Company, the Participant shall – after the demerger – have the number of Warrants which shall entitle the Participant to subscribe for shares in the surviving company(-ies) where the Participant is employed following such demerger. The number of Warrants shall entitle the Participant to the same potential ownership interest which an exercise of Warrants prior to the demerger would have resulted in, adjusted by the ratio between the values of the different surviving companies. Moreover, the terms applying to the surviving Warrants shall be the same as the terms and conditions as stipulated in this Warrant Program.

4.3 In the event that the general meeting passes a resolution to merge the Company, the Warrants granted to each Participant shall continue on unchanged terms if the Company is the surviving company. If such merger results in the Company being the discontinuing company, the Warrants granted to each Participant shall be transferred to the surviving company at an equivalent value based on the terms of trade regarding the shares in the merger. The same terms shall apply in the event of an exchange of all shares in the Company to shares in another company. Should the proportions between the payment for the shares in the discontinuing company and the value of the shares in the continuing company give rise thereto, the Exercise Price and/or the number of Shares that shall be issued for by the Participants' exercising the Warrants shall be adjusted upwards or downwards, as the case may be. Any paid cash amounts relating to a merger shall be deemed a capital reduction and result in adjustments as set out in clause e) below.

4.4 In case changes are made in the Company's capital structure – before the Participant has exercised Warrants – which entail a reduction or increase of the value of the Warrants granted, the Exercise Price and/or number of Warrants shall be adjusted, so that the value of the Warrants remains the same, in each case on the terms set forth in this clause 4.4, however, with the exceptions set forth in this Warrant Program, including clauses 4.5 - 4.7. Changes made in the Company's capital structure shall for the purpose of this clause only comprise:

- a) change of the nominal value of the shares in the Company;
- b) increase of the Company's share capital by subscription of new shares at a price below market price;
- c) issue of bonus shares in the Company (e.g. stock dividend);
- d) distribution of dividends;
- e) decrease of the share capital of the Company by means of payment to the shareholders;
and
- f) issue of warrants, debt instruments or other instruments convertible into shares in the Company below market value.

4.5 The Exercise Price shall not be reduced to a price lower than the nominal value of the shares (par value). If an adjustment of the Warrants to preserve their value would result in the Exercise Price being reduced to below par (a price below 100), the number of Warrants (and thus the number of Shares issued upon exercise) shall be amended to preserve the same value of the Warrants at an exercise price at par value.

4.6 If the share capital is reduced in order to cover losses, the number of Shares which shall be issued to the Participant by exercising the Warrants shall be reduced (rounded down in case

of fractions) proportionately to the nominal reduction of the capital compared to the total nominal share capital of the Company before the reduction.

4.7 Notwithstanding the foregoing, the following changes in the capital structure of the Company shall not result in any adjustment of the Exercise Price or the number of Warrants:

- a) An increase or reduction of the Company's capital at market price. To the extent an increase of the Company's capital occurs to a bona fide third party unaffiliated with the shareholders, there is an assumption about the increase occurring at market price.
- b) Issue of warrants, convertible debt instruments or the like to third parties on usual market terms as part of ordinary financing.
- c) Any issue of shares, warrants, convertible debt instruments or the like to the Share group's employees, managers, consultants or members of the board of directors in accordance with an employee incentive Program.

4.8 If the number of new Shares that may be issued by exercise of Warrants is adjusted upwards in accordance with this clause 4, the maximum amount which the Company's share capital can be increased with pursuant to 3.3 and the articles of association shall be increased, accordingly.

4.9 Subject to the provisions of this Warrant Program, the Company's board of directors shall determine whether and to what extent a merger, demerger or an implemented change in the capital structure of the Company gives rise to an adjustment of the Exercise Price and/or number of Warrants.

4.10 Any adjustment of the Exercise Price and/or number of Warrants shall be determined by the Company's board of directors and notified in writing to the Participant no later than thirty business days after implementation of the relevant change in the capital structure of the Company.

5 Termination of employment

5.1 Pursuant to clause 2.4, it is a condition for the vesting of Warrants that the Participant is employed with the Company or a company within the Everfuel Group at the time of Vesting.

5.2 If the Participant's employment with the Company terminates due to; (i) the Participant's death; (ii) the Participant's retirement in accordance with the Participant's employment contract or requirement of law; (iii) the Participant's long-term illness, meaning illness for a period of 6 months or more in which the Participant's is unable to fulfil its duties according to the Participant's employment contract; (iv) the Participant's termination of employment due to the Company's material breach of the Participant's employment contract; (v) the Participant being declared bankrupt (or similar insolvency status under locally applicable

law), (vi) the Company's termination of the Participant's employment contract without the Participant giving probable cause hereto (in Danish: "*opsigelse uden misligholdelse*"), or (vii) the Participant applying for insolvency proceedings, including but not limited to insolvency procedures under locally applicable law, the Participant shall be considered a good leaver ("Good Leaver").

5.3 If the Participant is considered as a Good Leaver, the Participant shall be entitled to a pro rate vesting of Warrants. The Participant's right to a pro rate vesting of Warrants shall be calculated based on the number of complete months of the Participant's full time employment with the Company from (i) the issue of the Grant Letter (ii) compared to the number of complete months to Vesting. The Participants shall be entitled to exercise, wholly or partly, all vested Warrants at the next Exercise Window after the effective date of the termination of the Participant's employment. Clause 2.7 shall apply *mutatis mutandis*. Unvested Warrants shall automatically and without further notice and without any compensation to the Participant be annulled.

5.4 If the Participant's employment with the Company is terminated due to (i) the Participant's termination of the Participant's employment contract and such termination is not a result of the Company's or the relevant Everfuel Group company's material breach of the Participant's employment contract, (ii) the Participant's material breach of the employment contracts, (iii) the Company's or the relevant Everfuel Group company's termination of the Participant's employment due to probable cause (in Danish; "*saglig opsigelse*") or (iv) the Company's or the relevant Everfuel Group company's justified summary dismissal (in Danish; "*bortvisning*"), the Participant shall be considered a bad leaver ("Bad Leaver").

5.5 If the Participant is considered a Bad Leaver, the Warrants (whether being vested Warrants or unvested Warrants) shall automatically and without further notice and without any compensation to the Participant be annulled.

6 Cash settlement

6.1 If the Participant has the right to receive issued Shares based on vested Warrants, the Company's board of directors may at its sole discretion decide to make the settlement in cash instead of issuing Shares.

6.2 If the board of directors decides to settle in cash, the value of each Share shall be determined based on the (i) average closing price for the Company's shares on the Norwegian Merkur Market the last 5 trading days prior to the board of directors notice, cf. clause 6.3, (ii) less the Exercise Price (provided that the Exercise Price has not been paid).

6.3 If the board of directors decides to make the settlement in cash instead of issuing new Shares, the Company must inform the Participant hereof no later than on the date when the Company was to implement the capital increase pursuant to clause 3.2.

7 Inside trading

- 7.1 Sale of shares subscribed for by any exercise of Warrants is subject to the provisions on insider trading applicable at any time, including any internal rules governing trade in shares and securities issued by the Company.

8 Other terms and conditions

- 8.1 The Warrants are a personal right that cannot be assigned, pledged or used as payment to the Participant's creditors. Consequently, the Warrants may not be assigned to neither a Participant's holding company nor to the Participant's spouse. In case of a Participant's death, the Participant will be considered a Good Leaver, cf. clause 5.2 and thus the estate after the Participant will be subject to the rights and terms set out in this Warrant Program, cf. clause 5.3.
- 8.2 The Warrants and Shares or the value of such Shares are not to be included in calculations based on the Participant's salary, including any pension contributions, severance payment, any other agreed or compulsory compensation or damages etc., just as holiday pay or holiday allowance is not to be calculated on the basis of the value of any Warrants or Shares.
- 8.3 The board of directors may suspend or change the issue of Shares if the board of directors deems it necessary in order for the Company or its subsidiaries to comply with relevant Danish and foreign legislation and administrative rules and regulations. If due to a suspension or change caused by relevant Danish and foreign legislation and administrative rules and regulations, the Shares cannot be issued, the issue of Shares will take place as soon as possible.
- 8.4 Should any provision of this Warrant Program be or become invalid in whole or in part, this shall not affect the validity of the remaining provisions of this Warrant Program. The invalid provision shall be replaced by a provision permitted by statute which most closely approximates the intended economic result of the invalid provision. The Participants will not be able to claim any compensation from the Company due to such circumstances.

9 Tax

- 9.1 Any tax and social security contribution implications for the Participants resulting from any grant of Warrants or issue of Shares are of no concern to the Company.
- 9.2 In the event that, as a consequence of the granting of Warrants or issue of Shares, the Company becomes obliged to pay any taxes, social security contributions or any other taxes or contributions, the Company reserves the right to postpone or prohibit issue of the Shares until such time as such Participant shall have paid to the Company, the relevant amount of such taxes, social security contributions or any other taxes or contributions. The Company reserves the right to (i) deduct the amount of such taxes, social security contributions or other

taxes or contributions from the salary payable to the Participant, or (ii) to dispose of all or part of the Shares in order to satisfy the Participant's obligations.

10 Data protection

10.1 In accordance with the General Data Protection Regulation, the Participant is hereby informed that the personal data relating to his/her name, contact details, holding of Warrants and Shares and salary will be processed to administrate the Warrants, to ensure fulfillment of the Company's contractual obligations toward the Participant, and to comply with applicable laws, regulations and court orders. The personal data will further be transferred from the Company to public authorities to the extent required in connection with the allocation or administration of the Warrants and the issue of Shares. More comprehensive information about the processing of the Participant's personal data, including the Participant's rights with respect to such processing, can be obtained from the Company upon request.

11 Governing law and venue

11.1 The construction, validity and performance of this Warrant Program shall be governed by and construed in accordance with the laws of Denmark without regard to conflicts of laws principles.

11.2 Any dispute, controversy or claim arising out of or relating to this Warrant Program, or its breach, termination or validity shall be settled by arbitration in accordance with the Rules of Procedure of the Danish Institute of Arbitration. The place of the arbitration shall be Copenhagen, Denmark and the language of the proceedings shall be English, unless otherwise agreed. If more than one Participant becomes subject to arbitration proceedings, fully or partly due to the same set of factual circumstances, such parties agree that the cases can be dealt with jointly by one arbitration tribunal. The arbitration tribunal shall decide the distribution of costs connected with the arbitration case. The existence of an arbitration case as well as any ruling made by the arbitration tribunal shall be kept in strict confidence.

1 The resolution and grant of Warrants

- 1.1 On 23 May 2022, the following warrant program (“Warrant Program”) regarding the issue of 653,173 warrants was issued by the board of directors in Everfuel A/S, CVR no. 38 45 66 95, Ø. - 1.2 Each Warrant gives the participant a right – but not an obligation – to subscribe for one share with a nominal value of DKK 0.01 each in the Company against payment of the exercise price set out in clause 2.10 on the terms and subject to the conditions set forth in this Warrant Program.
- 1.3 The purpose of this Warrant Program is to grant the participants warrants in the Company in order to give the participants the opportunity to participate in the value created in the Company and to ensure that the Company and the participant have aligned interests and that both parties are working to ensure the value of the Company, and thereby ensure that the Company develops in the best possible way.
- 1.4 The Warrants are granted to employees (“Participant”/“Participants”), who are employed in the Company, in accordance with the individual grant letters issued by the Company to each Participant (“Grant Letter”).
- 1.5 In connection with the resolution to issue Warrants, the general meeting also adopted the resolution regarding the cash capital increase attached to the issue of Warrants, equal to an increase of the Company’s nominal share capital by a total amount of DKK 6,531.73 which amount may be increased or reduced if the clauses on adjustment set out in clause 4 in this Warrant Program so stipulate.
- 1.6 The issuance of the Warrants is authorized in the Company's articles of association in effect on the date of this Warrant Program and attached hereto as schedule 1.6.

2 Consideration, vesting and exercise

- 2.1 Warrants are granted to the Participant free of charge, i.e. no consideration shall be paid by the Participants in connection with the granting of Warrants.
- 2.2 The Warrants are subject to vesting at the date of the annual general meeting’s approval of the Company’s annual report for FY2024 (“Vesting”).
- 2.3 Further, the Company’s board of directors may at its sole discretion and at any time decide that the Vesting of Warrants shall be accelerated and that such acceleration shall apply to any or to all Participants. Thus, the Company’s board of directors may at its sole discretion and

without notice or any compensation to any other Participant decide to accelerate the Vesting of Warrants towards a specific Participant upon delivery of notice to such Participant in accordance with clause 2.6. Clauses 2.5 - 2.13 shall apply *mutatis mutandis* (apply with the necessary amendments, if any).

- 2.5 The Participants shall be entitled to exercise, either wholly or partly of minimum 20% of vested Warrants, (i) during a period of 2 years starting from Vesting ("Exercise Deadline") and within a window of 10 business day following the publication of the Company's annual or quarterly reports ("Exercise Window") or (ii) in case of a liquidation of the Company as further described in clause 4.1 (each, an "Exercise Event").

- 2.7 In the event that a Participant wishes to exercise any or all of its Warrants, written notification to this effect must be received by the board of directors of the Company no later than either (i) 10 business days after the date of the Company's notification of a possible Exercise Event if the reason for the Exercise Event is a liquidation of the Company, or (ii) if the Exercise Event is due to the 2 year window described in clause 2.5(i), no later than the later of either the end of the last day of an Exercise Window or the end of the day of the Exercise Deadline. At the same time as giving notice of the exercise of Warrants, the Participant shall pay in cash to a bank account designated by the Company, the exercise price determined in accordance with clause 2.10.
- 2.8 If the Participant is in possession of inside information related to the Company as defined in the Market Abuse Regulation, the Participant may not exercise the vested Warrants and shall wait until the Participant is no longer in possession of inside information before exercising the Warrants. If the Participant is in possession of inside information relating to the Company on the last possible day for the Participant to exercise the vested Warrants, and the Participant – due to such possession of inside information – is not able to exercise the vested Warrants, the vested Warrants will not lapse until 5 business days after the date, where the Participant is no longer in possession of inside information ("Additional Exercise Window").
- 2.9 The Participant is solely responsible for being at all times informed of the terms and conditions of this Warrant Program. No claims can be raised against the Company or any other Everfuel company as a result of the Participant not having been informed of the vesting of Warrants, the deadline for the exercise of vested Warrants or the need for any Additional Exercise Window.
- 2.10 The exercise price for each share issued upon exercise of the Warrants shall be NOK 58.02 per

- 2.11 Upon a Participant’s exercise of Warrants, the Company’s board of directors must ensure that the Company’s shareholders’ register is amended to reflect each Participant’s holding of shares in the Company. Also, the Company’s board of directors must ensure that information regarding the Company’s legal and beneficial owners is registered (if a registration obligation is triggered) with the Danish Business Authority no later than 5 business days after the Participant’s exercise of Warrants.
- 2.12 Warrants that are not exercised in connection with a liquidation or upon expiration of the 2 years’ exercise window, in each case as set out in clause 2.5, shall lapse automatically and become null and void without further notice than the notice set out in clause 2.6 and without any compensation being payable to the Participant.
- 2.13 Until the Warrants are exercised, they do not entitle the Participant to any voting rights, right to dividends or other shareholder rights of any kind in relation to the Company or its shareholders.

3 Terms of new shares issued following exercise of Warrants and capital increase

- 3.1 The following terms and conditions shall apply to the new shares issued by the exercise of Warrants covered by this Warrant Program (“Shares”):
- a) the existing shareholders shall not have any pre-emptive right to the new Shares;
 - b) the new Shares issued on the basis of exercised Warrants shall be paid up in cash at the same date as the notice of the exercise of Warrants is forwarded by the Participant’s payment of the Exercise Price per share for each exercised Warrant;
 - c) the new Shares shall be registered in the name of the Participant in the Company’s register of shareholders;
 - d) the new Shares shall be negotiable;
 - e) the new Shares are freely transferable, as the Company’s articles of association do not contain restrictions on transferability;
 - f) the new Shares shall confer the same pre-emption rights on the holder as the existing shares in connection with future capital increases;

-
- g) the new Shares shall carry a right to dividend and other rights in the Company from the time when the relevant capital increase has been registered with the Danish Business Authority;
 - h) the shares of the Company are not divided into share classes; and
 - i) the Company shall pay the legal costs in connection with the issue of Warrants pursuant to this Warrant Program and the costs in connection with the subsequent exercise of the Warrants and the implementation of the capital increase.

3.2 In the event that the Participant provides due and timely notification of the exercise of the Warrants, the Company shall implement the relating capital increase pursuant to the terms set out in clause 3.1 no later than 10 business days after having received the exercise notification issued by the Participant in accordance with clause 2.7.

3.3 The maximum increase of capital that may be implemented on the basis of this Warrant Program is nominally DKK 6,531.73, equal to 653,173 shares of nominally DKK 0.01 each, which amount may be increased or reduced if the clauses on adjustment set out in clause 4 in this Warrant Program so stipulate.

4 Legal position in the event of liquidation, demerger, spin-off, merger or capital changes

4.1 In the event that the Company's general meeting passes a resolution to liquidate the Company (or another form of dissolution of the Company), the Company shall notify the Participant in writing to this effect. Following this notification, the Participant shall notify the Company in writing within 10 business days as from the date of the notification from the Company whether the Participant wishes to exercise the Warrants, wholly or partly, which have vested in accordance with clause 2. In so far as the Participant does not wish to exercise the Warrants, the Warrants shall automatically become void without compensation, following the expiry of the 10 business days' notification period, provided that the Company is finally liquidated as a result of the notified resolution. Exercise of the Warrants must be in accordance with clauses 2.4 - 2.11.

4.2 In the event that the general meeting passes a resolution to demerge the Company, the Participant shall – after the demerger – have the number of Warrants which shall entitle the Participant to subscribe for shares in the surviving company(-ies) where the Participant is employed following such demerger. The number of Warrants shall entitle the Participant to the same potential ownership interest which an exercise of Warrants prior to the demerger would have resulted in, adjusted by the ratio between the values of the different surviving companies. Moreover, the terms applying to the surviving Warrants shall be the same as the terms and conditions as stipulated in this Warrant Program.

4.3 In the event that the general meeting passes a resolution to merge the Company, the Warrants granted to each Participant shall continue on unchanged terms if the Company is the surviving company. If such merger results in the Company being the discontinuing company, the Warrants granted to each Participant shall be transferred to the surviving company at an equivalent value based on the terms of trade regarding the shares in the merger. The same terms shall apply in the event of an exchange of all shares in the Company to shares in another company. Should the proportions between the payment for the shares in the discontinuing company and the value of the shares in the continuing company give rise thereto, the Exercise Price and/or the number of Shares that shall be issued for by the Participants' exercising the Warrants shall be adjusted upwards or downwards, as the case may be. Any paid cash amounts relating to a merger shall be deemed a capital reduction and result in adjustments as set out in clause 4.4 e) below.

4.4 In case changes are made in the Company's capital structure – before the Participant has exercised Warrants – which entail a reduction or increase of the value of the Warrants granted, the Exercise Price and/or number of Warrants shall be adjusted, so that the value of the Warrants remains the same, in each case on the terms set forth in this clause 4.4, however, with the exceptions set forth in this Warrant Program, including clauses 4.5 - 4.7. Changes made in the Company's capital structure shall for the purpose of this clause only comprise:

- a) change of the nominal value of the shares in the Company;
- b) increase of the Company's share capital by subscription of new shares at a price below market price;
- c) issue of bonus shares in the Company (e.g. stock dividend);
- d) distribution of dividends;
- e) decrease of the share capital of the Company by means of payment to the shareholders;
and
- f) issue of warrants, debt instruments or other instruments convertible into shares in the Company below market value.

4.5 The Exercise Price shall not be reduced to a price lower than the nominal value of the shares (par value). If an adjustment of the Warrants to preserve their value would result in the Exercise Price being reduced to below par (a price below 100), the number of Warrants (and thus the number of Shares issued upon exercise) shall be amended to preserve the same value of the Warrants at an exercise price at par value.

4.6 If the share capital is reduced in order to cover losses, the number of Shares which shall be issued to the Participant by exercising the Warrants shall be reduced (rounded down in case

of fractions) proportionately to the nominal reduction of the capital compared to the total nominal share capital of the Company before the reduction.

4.7 Notwithstanding the foregoing, the following changes in the capital structure of the Company shall not result in any adjustment of the Exercise Price or the number of Warrants:

- a) An increase or reduction of the Company's capital at market price. To the extent an increase of the Company's capital occurs to a bona fide third party unaffiliated with the shareholders, there is an assumption about the increase occurring at market price.
- b) Issue of warrants, convertible debt instruments or the like to third parties on usual market terms as part of ordinary financing.
- c) Any issue of shares, warrants, convertible debt instruments or the like to the Share group's employees, managers, consultants or members of the board of directors in accordance with an employee incentive Program.

4.8 If the number of new Shares that may be issued by exercise of Warrants is adjusted upwards in accordance with this clause 4, the maximum amount which the Company's share capital can be increased with pursuant to 3.3 and the articles of association shall be increased, accordingly.

4.9 Subject to the provisions of this Warrant Program, the Company's board of directors shall determine whether and to what extent a merger, demerger or an implemented change in the capital structure of the Company gives rise to an adjustment of the Exercise Price and/or number of Warrants.

4.10 Any adjustment of the Exercise Price and/or number of Warrants shall be determined by the Company's board of directors and notified in writing to the Participant no later than thirty business days after implementation of the relevant change in the capital structure of the Company.

5 Termination of employment

5.1 Pursuant to clause 2.4, it is a condition for the vesting of Warrants that the Participant is employed with the Company or a company within the Everfuel Group at the time of Vesting.

5.2 If the Participant's employment with the Company terminates due to; (i) the Participant's death; (ii) the Participant's retirement in accordance with the Participant's employment contract or requirement of law; (iii) the Participant's long-term illness, meaning illness for a period of 6 months or more in which the Participant's is unable to fulfil its duties according to the Participant's employment contract; (iv) the Participant's termination of employment due to the Company's material breach of the Participant's employment contract; (v) the Participant being declared bankrupt (or similar insolvency status under locally applicable

law), (vi) the Company's termination of the Participant's employment contract without the Participant giving probable cause hereto (in Danish: "*opsigelse uden misligholdelse*"), or (vii) the Participant applying for insolvency proceedings, including but not limited to insolvency procedures under locally applicable law, the Participant shall be considered a good leaver ("Good Leaver").

5.3 If the Participant is considered as a Good Leaver, the Participant shall be entitled to a pro rate vesting of Warrants. The Participant's right to a pro rate vesting of Warrants shall be calculated based on the number of complete months of the Participant's full time employment with the Company from (i) the issue of the Grant Letter (ii) compared to the number of complete months to Vesting. The Participants shall be entitled to exercise, wholly or partly, all vested Warrants at the next Exercise Window after the effective date of the termination of the Participant's employment. Clause 2.7 shall apply *mutatis mutandis*. Unvested Warrants shall automatically and without further notice and without any compensation to the Participant be annulled.

5.4 If the Participant's employment with the Company is terminated due to (i) the Participant's termination of the Participant's employment contract and such termination is not a result of the Company's or the relevant Everfuel Group company's material breach of the Participant's employment contract, (ii) the Participant's material breach of the employment contracts, (iii) the Company's or the relevant Everfuel Group company's termination of the Participant's employment due to probable cause (in Danish; "*saglig opsigelse*") or (iv) the Company's or the relevant Everfuel Group company's justified summary dismissal (in Danish; "*bortvisning*"), the Participant shall be considered a bad leaver ("Bad Leaver").

5.5 If the Participant is considered a Bad Leaver, the Warrants (whether being vested Warrants or unvested Warrants) shall automatically and without further notice and without any compensation to the Participant be annulled.

6 Cash settlement

6.1 If the Participant has the right to receive issued Shares based on vested Warrants, the Company's board of directors may at its sole discretion decide to make the settlement in cash instead of issuing Shares.

6.2 If the board of directors decides to settle in cash, the value of each Share shall be determined based on the (i) average closing price for the Company's shares on the Norwegian Merkur Market the last 5 trading days prior to the board of directors' notice, cf. clause 6.3, (ii) less the Exercise Price (provided that the Exercise Price has not been paid).

6.3 If the board of directors decides to make the settlement in cash instead of issuing new Shares, the Company must inform the Participant hereof no later than on the date when the Company was to implement the capital increase pursuant to clause 3.2.

7 Inside trading

- 7.1 Sale of shares subscribed for by any exercise of Warrants is subject to the provisions on insider trading applicable at any time, including any internal rules governing trade in shares and securities issued by the Company.

8 Other terms and conditions

- 8.1 The Warrants are a personal right that cannot be assigned, pledged or used as payment to the Participant's creditors. Consequently, the Warrants may not be assigned to neither a Participant's holding company nor to the Participant's spouse. In case of a Participant's death, the Participant will be considered a Good Leaver, cf. clause 5.2 and thus the estate after the Participant will be subject to the rights and terms set out in this Warrant Program, cf. clause 5.3.
- 8.2 The Warrants and Shares or the value of such Shares are not to be included in calculations based on the Participant's salary, including any pension contributions, severance payment, any other agreed or compulsory compensation or damages etc., just as holiday pay or holiday allowance is not to be calculated on the basis of the value of any Warrants or Shares.
- 8.3 The board of directors may suspend or change the issue of Shares if the board of directors deems it necessary in order for the Company or its subsidiaries to comply with relevant Danish and foreign legislation and administrative rules and regulations. If due to a suspension or change caused by relevant Danish and foreign legislation and administrative rules and regulations, the Shares cannot be issued, the issue of Shares will take place as soon as possible.
- 8.4 Should any provision of this Warrant Program be or become invalid in whole or in part, this shall not affect the validity of the remaining provisions of this Warrant Program. The invalid provision shall be replaced by a provision permitted by statute which most closely approximates the intended economic result of the invalid provision. The Participants will not be able to claim any compensation from the Company due to such circumstances.

9 Tax

- 9.1 Any tax and social security contribution implications for the Participants resulting from any grant of Warrants or issue of Shares are of no concern to the Company.
- 9.2 In the event that, as a consequence of the granting of Warrants or issue of Shares, the Company becomes obliged to pay any taxes, social security contributions or any other taxes or contributions, the Company reserves the right to postpone or prohibit issue of the Shares until such time as such Participant shall have paid to the Company, the relevant amount of such taxes, social security contributions or any other taxes or contributions. The Company reserves the right to (i) deduct the amount of such taxes, social security contributions or other

taxes or contributions from the salary payable to the Participant, or (ii) to dispose of all or part of the Shares in order to satisfy the Participant's obligations.

10 Data protection

10.1 In accordance with the General Data Protection Regulation, the Participant is hereby informed that the personal data relating to his/her name, contact details, holding of Warrants and Shares and salary will be processed to administrate the Warrants, to ensure fulfillment of the Company's contractual obligations toward the Participant, and to comply with applicable laws, regulations and court orders. The personal data will further be transferred from the Company to public authorities to the extent required in connection with the allocation or administration of the Warrants and the issue of Shares. More comprehensive information about the processing of the Participant's personal data, including the Participant's rights with respect to such processing, can be obtained from the Company upon request.

11 Governing law and venue

11.1 The construction, validity and performance of this Warrant Program shall be governed by and construed in accordance with the laws of Denmark without regard to conflicts of laws principles.

11.2 Any dispute, controversy or claim arising out of or relating to this Warrant Program, or its breach, termination or validity shall be settled by arbitration in accordance with the Rules of Procedure of the Danish Institute of Arbitration. The place of the arbitration shall be Copenhagen, Denmark and the language of the proceedings shall be English, unless otherwise agreed. If more than one Participant becomes subject to arbitration proceedings, fully or partly due to the same set of factual circumstances, such parties agree that the cases can be dealt with jointly by one arbitration tribunal. The arbitration tribunal shall decide the distribution of costs connected with the arbitration case. The existence of an arbitration case as well as any ruling made by the arbitration tribunal shall be kept in strict confidence.

1 The resolution and grant of Warrants

- 1.1 On 30 November 2022, the following warrant program (“Warrant Program”) regarding the issue of 200,000 warrants was issued by the board of directors in Everfuel A/S, CVR no. 38 45 66 95, Ø. Høgildvej 4A, Høgild, 7400 Herning (“Company”) in accordance with the board resolution as of 30 November 2022 following the authorization adopted at the Company’s extraordinary general meeting held on 20 October 2020 in connection with the general meeting’s resolution to authorize the board of directors to issue warrants (“Warrant”/“Warrants”).
- 1.2 Each Warrant gives the participant a right – but not an obligation – to subscribe for one share with a nominal value of DKK 0.01 each in the Company against payment of the exercise price set out in clause 2.10 on the terms and subject to the conditions set forth in this Warrant Program.
- 1.3 The purpose of this Warrant Program is to grant the participants warrants in the Company in order to give the participants the opportunity to participate in the value created in the Company and to ensure that the Company and the participant have aligned interests and that both parties are working to ensure the value of the Company, and thereby ensure that the Company develops in the best possible way.
- 1.4 The Warrants are granted to employees (“Participant”/“Participants”), who are employed in the Company, in accordance with the individual grant letters issued by the Company to each Participant (“Grant Letter”).
- 1.5 In connection with the resolution to issue Warrants, the general meeting also adopted the resolution regarding the cash capital increase attached to the issue of Warrants, equal to an increase of the Company’s nominal share capital by a total amount of DKK 2,000 which amount may be increased or reduced if the clauses on adjustment set out in clause 4 in this Warrant Program so stipulate.
- 1.6 The issuance of the Warrants is authorized in the Company’s articles of association in effect on the date of this Warrant Program and attached hereto as schedule 1.6.

2 Consideration, vesting and exercise

- 2.1 Warrants are granted to the Participant free of charge, i.e. no consideration shall be paid by the Participants in connection with the granting of Warrants.
- 2.2 The Warrants are subject to vesting at the date of the annual general meeting’s approval of the Company’s annual report for FY2025 (“Vesting”).
- 2.3 Further, the Company’s board of directors may at its sole discretion and at any time decide that the Vesting of Warrants shall be accelerated and that such acceleration shall apply to any

or to all Participants. Thus, the Company's board of directors may at its sole discretion and without notice or any compensation to any other Participant decide to accelerate the Vesting of Warrants towards a specific Participant upon delivery of notice to such Participant in accordance with clause 2.6. Clauses 2.5 - 2.13 shall apply *mutatis mutandis* (apply with the necessary amendments, if any).

- 2.4 Vesting of Warrants is subject to the Participant's continued employment with the Company at the time of Vesting, cf. clause 5.
- 2.5 The Participants shall be entitled to exercise, either wholly or partly of minimum 20% of vested Warrants, (i) during a period of 2 years starting from Vesting ("Exercise Deadline") and within a window of 10 business day following the publication of the Company's annual or quarterly reports ("Exercise Window") or (ii) in case of a liquidation of the Company as further described in clause 4.1 (each, an "Exercise Event").
- 2.6 The Company shall inform the Participants about a possible Exercise Event if the reason for the Exercise Event is a liquidation of the Company no later than 10 business days prior to such Exercise Event.
- 2.7 In the event that a Participant wishes to exercise any or all of its Warrants, written notification to this effect must be received by the board of directors of the Company no later than either (i) 10 business days after the date of the Company's notification of a possible Exercise Event if the reason for the Exercise Event is a liquidation of the Company, or (ii) if the Exercise Event is due to the 2 year window described in clause 2.5(i), no later than the later of either the end of the last day of an Exercise Window or the end of the day of the Exercise Deadline. At the same time as giving notice of the exercise of Warrants, the Participant shall pay in cash to a bank account designated by the Company, the exercise price determined in accordance with clause 2.10.
- 2.8 If the Participant is in possession of inside information related to the Company as defined in the Market Abuse Regulation, the Participant may not exercise the vested Warrants and shall wait until the Participant is no longer in possession of inside information before exercising the Warrants. If the Participant is in possession of inside information relating to the Company on the last possible day for the Participant to exercise the vested Warrants, and the Participant – due to such possession of inside information – is not able to exercise the vested Warrants, the vested Warrants will not lapse until 5 business days after the date, where the Participant is no longer in possession of inside information ("Additional Exercise Window").
- 2.9 The Participant is solely responsible for being at all times informed of the terms and conditions of this Warrant Program. No claims can be raised against the Company or any other Everfuel company as a result of the Participant not having been informed of the vesting of Warrants, the deadline for the exercise of vested Warrants or the need for any Additional Exercise Window.

-
- 2.10 The exercise price for each share issued upon exercise of the Warrants shall be NOK 58.02 per share of nominally DKK 0.01 (“Exercise Price”), equal to the as the average closing price per share in the Company as traded under ISIN code DK0061414711 for the last 10 days prior to the issue of this Warrant Program. The Exercise Price may be adjusted as set forth in this Warrant Program.
- 2.11 Upon a Participant’s exercise of Warrants, the Company’s board of directors must ensure that the Company’s shareholders’ register is amended to reflect each Participant’s holding of shares in the Company. Also, the Company’s board of directors must ensure that information regarding the Company’s legal and beneficial owners is registered (if a registration obligation is triggered) with the Danish Business Authority no later than 5 business days after the Participant’s exercise of Warrants.
- 2.12 Warrants that are not exercised in connection with a liquidation or upon expiration of the 2 years’ exercise window, in each case as set out in clause 2.5, shall lapse automatically and become null and void without further notice than the notice set out in clause 2.6 and without any compensation being payable to the Participant.
- 2.13 Until the Warrants are exercised, they do not entitle the Participant to any voting rights, right to dividends or other shareholder rights of any kind in relation to the Company or its shareholders.

3 Terms of new shares issued following exercise of Warrants and capital increase

- 3.1 The following terms and conditions shall apply to the new shares issued by the exercise of Warrants covered by this Warrant Program (“Shares”):
- a) the existing shareholders shall not have any pre-emptive right to the new Shares;
 - b) the new Shares issued on the basis of exercised Warrants shall be paid up in cash at the same date as the notice of the exercise of Warrants is forwarded by the Participant’s payment of the Exercise Price per share for each exercised Warrant;
 - c) the new Shares shall be registered in the name of the Participant in the Company’s register of shareholders;
 - d) the new Shares shall be negotiable;
 - e) the new Shares are freely transferable, as the Company’s articles of association do not contain restrictions on transferability;
 - f) the new Shares shall confer the same pre-emption rights on the holder as the existing shares in connection with future capital increases;

-
- g) the new Shares shall carry a right to dividend and other rights in the Company from the time when the relevant capital increase has been registered with the Danish Business Authority;
 - h) the shares of the Company are not divided into share classes; and
 - i) the Company shall pay the legal costs in connection with the issue of Warrants pursuant to this Warrant Program and the costs in connection with the subsequent exercise of the Warrants and the implementation of the capital increase.

3.2 In the event that the Participant provides due and timely notification of the exercise of the Warrants, the Company shall implement the relating capital increase pursuant to the terms set out in clause 3.1 no later than 10 business days after having received the exercise notification issued by the Participant in accordance with clause 2.7.

3.3 The maximum increase of capital that may be implemented on the basis of this Warrant Program is nominally DKK 2,000, equal to 200,000 shares of nominally DKK 0.01 each, which amount may be increased or reduced if the clauses on adjustment set out in clause 4 in this Warrant Program so stipulate.

4 Legal position in the event of liquidation, demerger, spin-off, merger or capital changes

4.1 In the event that the Company's general meeting passes a resolution to liquidate the Company (or another form of dissolution of the Company), the Company shall notify the Participant in writing to this effect. Following this notification, the Participant shall notify the Company in writing within 10 business days as from the date of the notification from the Company whether the Participant wishes to exercise the Warrants, wholly or partly, which have vested in accordance with clause 2. In so far as the Participant does not wish to exercise the Warrants, the Warrants shall automatically become void without compensation, following the expiry of the 10 business days' notification period, provided that the Company is finally liquidated as a result of the notified resolution. Exercise of the Warrants must be in accordance with clauses 2.4 - 2.11.

4.2 In the event that the general meeting passes a resolution to demerge the Company, the Participant shall – after the demerger – have the number of Warrants which shall entitle the Participant to subscribe for shares in the surviving company(-ies) where the Participant is employed following such demerger. The number of Warrants shall entitle the Participant to the same potential ownership interest which an exercise of Warrants prior to the demerger would have resulted in, adjusted by the ratio between the values of the different surviving companies. Moreover, the terms applying to the surviving Warrants shall be the same as the terms and conditions as stipulated in this Warrant Program.

-
- 4.3 In the event that the general meeting passes a resolution to merge the Company, the Warrants granted to each Participant shall continue on unchanged terms if the Company is the surviving company. If such merger results in the Company being the discontinuing company, the Warrants granted to each Participant shall be transferred to the surviving company at an equivalent value based on the terms of trade regarding the shares in the merger. The same terms shall apply in the event of an exchange of all shares in the Company to shares in another company. Should the proportions between the payment for the shares in the discontinuing company and the value of the shares in the continuing company give rise thereto, the Exercise Price and/or the number of Shares that shall be issued for by the Participants' exercising the Warrants shall be adjusted upwards or downwards, as the case may be. Any paid cash amounts relating to a merger shall be deemed a capital reduction and result in adjustments as set out in clause 4.4 e) below.
- 4.4 In case changes are made in the Company's capital structure – before the Participant has exercised Warrants – which entail a reduction or increase of the value of the Warrants granted, the Exercise Price and/or number of Warrants shall be adjusted, so that the value of the Warrants remains the same, in each case on the terms set forth in this clause 4.4, however, with the exceptions set forth in this Warrant Program, including clauses 4.5 - 4.7. Changes made in the Company's capital structure shall for the purpose of this clause only comprise:
- a) change of the nominal value of the shares in the Company;
 - b) increase of the Company's share capital by subscription of new shares at a price below market price;
 - c) issue of bonus shares in the Company (e.g. stock dividend);
 - d) distribution of dividends;
 - e) decrease of the share capital of the Company by means of payment to the shareholders;
and
 - f) issue of warrants, debt instruments or other instruments convertible into shares in the Company below market value.
- 4.5 The Exercise Price shall not be reduced to a price lower than the nominal value of the shares (par value). If an adjustment of the Warrants to preserve their value would result in the Exercise Price being reduced to below par (a price below 100), the number of Warrants (and thus the number of Shares issued upon exercise) shall be amended to preserve the same value of the Warrants at an exercise price at par value.
- 4.6 If the share capital is reduced in order to cover losses, the number of Shares which shall be issued to the Participant by exercising the Warrants shall be reduced (rounded down in case

of fractions) proportionately to the nominal reduction of the capital compared to the total nominal share capital of the Company before the reduction.

4.7 Notwithstanding the foregoing, the following changes in the capital structure of the Company shall not result in any adjustment of the Exercise Price or the number of Warrants:

- a) An increase or reduction of the Company's capital at market price. To the extent an increase of the Company's capital occurs to a bona fide third party unaffiliated with the shareholders, there is an assumption about the increase occurring at market price.
- b) Issue of warrants, convertible debt instruments or the like to third parties on usual market terms as part of ordinary financing.
- c) Any issue of shares, warrants, convertible debt instruments or the like to the Share group's employees, managers, consultants or members of the board of directors in accordance with an employee incentive Program.

4.8 If the number of new Shares that may be issued by exercise of Warrants is adjusted upwards in accordance with this clause 4, the maximum amount which the Company's share capital can be increased with pursuant to 3.3 and the articles of association shall be increased, accordingly.

4.9 Subject to the provisions of this Warrant Program, the Company's board of directors shall determine whether and to what extent a merger, demerger or an implemented change in the capital structure of the Company gives rise to an adjustment of the Exercise Price and/or number of Warrants.

4.10 Any adjustment of the Exercise Price and/or number of Warrants shall be determined by the Company's board of directors and notified in writing to the Participant no later than thirty business days after implementation of the relevant change in the capital structure of the Company.

5 Termination of employment

5.1 Pursuant to clause 2.4, it is a condition for the vesting of Warrants that the Participant is employed with the Company or a company within the Everfuel Group at the time of Vesting.

5.2 If the Participant's employment with the Company terminates due to; (i) the Participant's death; (ii) the Participant's retirement in accordance with the Participant's employment contract or requirement of law; (iii) the Participant's long-term illness, meaning illness for a period of 6 months or more in which the Participant's is unable to fulfil its duties according to the Participant's employment contract; (iv) the Participant's termination of employment due to the Company's material breach of the Participant's employment contract; (v) the Participant being declared bankrupt (or similar insolvency status under locally applicable

law), (vi) the Company's termination of the Participant's employment contract without the Participant giving probable cause hereto (in Danish: "*opsigelse uden misligholdelse*"), or (vii) the Participant applying for insolvency proceedings, including but not limited to insolvency procedures under locally applicable law, the Participant shall be considered a good leaver ("Good Leaver").

5.3 If the Participant is considered as a Good Leaver, the Participant shall be entitled to a pro rate vesting of Warrants. The Participant's right to a pro rate vesting of Warrants shall be calculated based on the number of complete months of the Participant's full time employment with the Company from (i) the issue of the Grant Letter (ii) compared to the number of complete months to Vesting. The Participants shall be entitled to exercise, wholly or partly, all vested Warrants at the next Exercise Window after the effective date of the termination of the Participant's employment. Clause 2.7 shall apply *mutatis mutandis*. Unvested Warrants shall automatically and without further notice and without any compensation to the Participant be annulled.

5.4 If the Participant's employment with the Company is terminated due to (i) the Participant's termination of the Participant's employment contract and such termination is not a result of the Company's or the relevant Everfuel Group company's material breach of the Participant's employment contract, (ii) the Participant's material breach of the employment contracts, (iii) the Company's or the relevant Everfuel Group company's termination of the Participant's employment due to probable cause (in Danish; "*saglig opsigelse*") or (iv) the Company's or the relevant Everfuel Group company's justified summary dismissal (in Danish; "*bortvisning*"), the Participant shall be considered a bad leaver ("Bad Leaver").

5.5 If the Participant is considered a Bad Leaver, the Warrants (whether being vested Warrants or unvested Warrants) shall automatically and without further notice and without any compensation to the Participant be annulled.

6 Cash settlement

6.1 If the Participant has the right to receive issued Shares based on vested Warrants, the Company's board of directors may at its sole discretion decide to make the settlement in cash instead of issuing Shares.

6.2 If the board of directors decides to settle in cash, the value of each Share shall be determined based on the (i) average closing price for the Company's shares on the Norwegian Merkur Market the last 5 trading days prior to the board of directors' notice, cf. clause 6.3, (ii) less the Exercise Price (provided that the Exercise Price has not been paid).

6.3 If the board of directors decides to make the settlement in cash instead of issuing new Shares, the Company must inform the Participant hereof no later than on the date when the Company was to implement the capital increase pursuant to clause 3.2.

7 Inside trading

- 7.1 Sale of shares subscribed for by any exercise of Warrants is subject to the provisions on insider trading applicable at any time, including any internal rules governing trade in shares and securities issued by the Company.

8 Other terms and conditions

- 8.1 The Warrants are a personal right that cannot be assigned, pledged or used as payment to the Participant's creditors. Consequently, the Warrants may not be assigned to neither a Participant's holding company nor to the Participant's spouse. In case of a Participant's death, the Participant will be considered a Good Leaver, cf. clause 5.2 and thus the estate after the Participant will be subject to the rights and terms set out in this Warrant Program, cf. clause 5.3.

- 8.2 The Warrants and Shares or the value of such Shares are not to be included in calculations based on the Participant's salary, including any pension contributions, severance payment, any other agreed or compulsory compensation or damages etc., just as holiday pay or holiday allowance is not to be calculated on the basis of the value of any Warrants or Shares.

- 8.3 The board of directors may suspend or change the issue of Shares if the board of directors deems it necessary in order for the Company or its subsidiaries to comply with relevant Danish and foreign legislation and administrative rules and regulations. If due to a suspension or change caused by relevant Danish and foreign legislation and administrative rules and regulations, the Shares cannot be issued, the issue of Shares will take place as soon as possible.

- 8.4 Should any provision of this Warrant Program be or become invalid in whole or in part, this shall not affect the validity of the remaining provisions of this Warrant Program. The invalid provision shall be replaced by a provision permitted by statute which most closely approximates the intended economic result of the invalid provision. The Participants will not be able to claim any compensation from the Company due to such circumstances.

9 Tax

- 9.1 Any tax and social security contribution implications for the Participants resulting from any grant of Warrants or issue of Shares are of no concern to the Company.

- 9.2 In the event that, as a consequence of the granting of Warrants or issue of Shares, the Company becomes obliged to pay any taxes, social security contributions or any other taxes or contributions, the Company reserves the right to postpone or prohibit issue of the Shares until such time as such Participant shall have paid to the Company, the relevant amount of such taxes, social security contributions or any other taxes or contributions. The Company reserves the right to (i) deduct the amount of such taxes, social security contributions or other

taxes or contributions from the salary payable to the Participant, or (ii) to dispose of all or part of the Shares in order to satisfy the Participant's obligations.

10 Data protection

10.1 In accordance with the General Data Protection Regulation, the Participant is hereby informed that the personal data relating to his/her name, contact details, holding of Warrants and Shares and salary will be processed to administrate the Warrants, to ensure fulfillment of the Company's contractual obligations toward the Participant, and to comply with applicable laws, regulations and court orders. The personal data will further be transferred from the Company to public authorities to the extent required in connection with the allocation or administration of the Warrants and the issue of Shares. More comprehensive information about the processing of the Participant's personal data, including the Participant's rights with respect to such processing, can be obtained from the Company upon request.

11 Governing law and venue

11.1 The construction, validity and performance of this Warrant Program shall be governed by and construed in accordance with the laws of Denmark without regard to conflicts of laws principles.

11.2 Any dispute, controversy or claim arising out of or relating to this Warrant Program, or its breach, termination or validity shall be settled by arbitration in accordance with the Rules of Procedure of the Danish Institute of Arbitration. The place of the arbitration shall be Copenhagen, Denmark and the language of the proceedings shall be English, unless otherwise agreed. If more than one Participant becomes subject to arbitration proceedings, fully or partly due to the same set of factual circumstances, such parties agree that the cases can be dealt with jointly by one arbitration tribunal. The arbitration tribunal shall decide the distribution of costs connected with the arbitration case. The existence of an arbitration case as well as any ruling made by the arbitration tribunal shall be kept in strict confidence.

- 1.3 The purpose of this Warrant Program is to grant the participants warrants in the Company in order to give the participants the opportunity to participate in the value created in the Company and to ensure that the Company and the participant have aligned interests and that both parties are working to ensure the value of the Company, and thereby ensure that the Company develops in the best possible way.

- 2.5 The Participants shall be entitled to exercise, either wholly or partly of minimum 20% of vested Warrants, (i) during a period of 2 years starting from Vesting ("Exercise Deadline") and within a window of 10 business day following the publication of the Company's annual or quarterly reports ("Exercise Window") or (ii) in case of a liquidation of the Company as further described in clause 4.1 (each, an "Exercise Event").
- 2.6 The Company shall inform the Participants about a possible Exercise Event if the reason for the Exercise Event is a liquidation of the Company no later than 10 business days prior to such Exercise Event.
- 2.7 In the event that a Participant wishes to exercise any or all of its Warrants, written notification to this effect must be received by the board of directors of the Company no later than either (i) 10 business days after the date of the Company's notification of a possible Exercise Event if the reason for the Exercise Event is a liquidation of the Company, or (ii) if the Exercise Event is due to the 2 year window described in clause 2.5(i), no later than the later of either the end of the last day of an Exercise Window or the end of the day of the Exercise Deadline. At the same time as giving notice of the exercise of Warrants, the Participant shall pay in cash to a bank account designated by the Company, the exercise price determined in accordance with clause 2.10.
- 2.8 If the Participant is in possession of inside information related to the Company as defined in the Market Abuse Regulation, the Participant may not exercise the vested Warrants and shall wait until the Participant is no longer in possession of inside information before exercising the Warrants. If the Participant is in possession of inside information relating to the Company on the last possible day for the Participant to exercise the vested Warrants, and the Participant – due to such possession of inside information – is not able to exercise the vested Warrants, the vested Warrants will not lapse until 5 business days after the date, where the Participant is no longer in possession of inside information ("Additional Exercise Window").
- 2.9 The Participant is solely responsible for being at all times informed of the terms and conditions of this Warrant Program. No claims can be raised against the Company or any other Everfuel company as a result of the Participant not having been informed of the vesting of Warrants, the deadline for the exercise of vested Warrants or the need for any Additional Exercise Window.
- 2.10 The exercise price for each share issued upon exercise of the Warrants shall be NOK 18.57 per share of nominally DKK 0.01 ("Exercise Price"), equal to the as the average closing price per share in the

Company as traded under ISIN code DK0061414711 for the last 10 trading days prior to the issue of this Warrant Program. The Exercise Price may be adjusted as set forth in this Warrant Program.

- 2.11 Upon a Participant's exercise of Warrants, the Company's board of directors must ensure that the Company's shareholders' register is amended to reflect each Participant's holding of shares in the Company. Also, the Company's board of directors must ensure that information regarding the Company's legal and beneficial owners is registered (if a registration obligation is triggered) with the Danish Business Authority no later than 5 business days after the Participant's exercise of Warrants.
- 2.12 Warrants that are not exercised in connection with a liquidation or upon expiration of the 2 years' exercise window, in each case as set out in clause 2.5, shall lapse automatically and become null and void without further notice than the notice set out in clause 2.6 and without any compensation being payable to the Participant.
- 2.13 Until the Warrants are exercised, they do not entitle the Participant to any voting rights, right to dividends or other shareholder rights of any kind in relation to the Company or its shareholders.

3 Terms of new shares issued following exercise of Warrants and capital increase

- 3.1 The following terms and conditions shall apply to the new shares issued by the exercise of Warrants covered by this Warrant Program ("Shares"):
- a) the existing shareholders shall not have any pre-emptive right to the new Shares;
 - b) the new Shares issued on the basis of exercised Warrants shall be paid up in cash at the same date as the notice of the exercise of Warrants is forwarded by the Participant's payment of the Exercise Price per share for each exercised Warrant;
 - c) the new Shares shall be registered in the name of the Participant in the Company's register of shareholders;
 - d) the new Shares shall be negotiable;
 - e) the new Shares are freely transferable, as the Company's articles of association do not contain restrictions on transferability;
 - f) the new Shares shall confer the same pre-emption rights on the holder as the existing shares in connection with future capital increases;
 - g) the new Shares shall carry a right to dividend and other rights in the Company from the time when the relevant capital increase has been registered with the Danish Business Authority;

- h) the shares of the Company are not divided into share classes; and
- i) the Company shall pay the legal costs in connection with the issue of Warrants pursuant to this Warrant Program and the costs in connection with the subsequent exercise of the Warrants and the implementation of the capital increase.

3.2 In the event that the Participant provides due and timely notification of the exercise of the Warrants, the Company shall implement the relating capital increase pursuant to the terms set out in clause 3.1 no later than 10 business days after having received the exercise notification issued by the Participant in accordance with clause 2.7.

3.3 The maximum increase of capital that may be implemented on the basis of this Warrant Program is nominally DKK 8,241.01, equal to 824,101 shares of nominally DKK 0.01 each, which amount may be increased or reduced if the clauses on adjustment set out in clause 4 in this Warrant Program so stipulate.

4 Legal position in the event of liquidation, demerger, spin-off, merger or capital changes

4.1 In the event that the Company's general meeting passes a resolution to liquidate the Company (or another form of dissolution of the Company), the Company shall notify the Participant in writing to this effect. Following this notification, the Participant shall notify the Company in writing within 10 business days as from the date of the notification from the Company whether the Participant wishes to exercise the Warrants, wholly or partly, which have vested in accordance with clause 2. In so far as the Participant does not wish to exercise the Warrants, the Warrants shall automatically become void without compensation, following the expiry of the 10 business days' notification period, provided that the Company is finally liquidated as a result of the notified resolution. Exercise of the Warrants must be in accordance with clauses 2.4 - 2.11.

4.2 In the event that the general meeting passes a resolution to demerge the Company, the Participant shall – after the demerger – have the number of Warrants which shall entitle the Participant to subscribe for shares in the surviving company(-ies) where the Participant is employed following such demerger. The number of Warrants shall entitle the Participant to the same potential ownership interest which an exercise of Warrants prior to the demerger would have resulted in, adjusted by the ratio between the values of the different surviving companies. Moreover, the terms applying to the surviving Warrants shall be the same as the terms and conditions as stipulated in this Warrant Program.

4.3 In the event that the general meeting passes a resolution to merge the Company, the Warrants granted to each Participant shall continue on unchanged terms if the Company is the surviving company. If such merger results in the Company being the discontinuing company, the Warrants granted to each Participant shall be transferred to the surviving company at an equivalent value based on the terms of trade regarding the shares in the merger. The same terms shall apply in the event of an exchange of all

shares in the Company to shares in another company. Should the proportions between the payment for the shares in the discontinuing company and the value of the shares in the continuing company give rise thereto, the Exercise Price and/or the number of Shares that shall be issued for by the Participants' exercising the Warrants shall be adjusted upwards or downwards, as the case may be. Any paid cash amounts relating to a merger shall be deemed a capital reduction and result in adjustments as set out in clause 4.4 e) below.

- 4.4 In case changes are made in the Company's capital structure – before the Participant has exercised Warrants – which entail a reduction or increase of the value of the Warrants granted, the Exercise Price and/or number of Warrants shall be adjusted, so that the value of the Warrants remains the same, in each case on the terms set forth in this clause 4.4, however, with the exceptions set forth in this Warrant Program, including clauses 4.5 - 4.7. Changes made in the Company's capital structure shall for the purpose of this clause only comprise:
- a) change of the nominal value of the shares in the Company;
 - b) increase of the Company's share capital by subscription of new shares at a price below market price;
 - c) issue of bonus shares in the Company (e.g. stock dividend);
 - d) distribution of dividends;
 - e) decrease of the share capital of the Company by means of payment to the shareholders; and
 - f) issue of warrants, debt instruments or other instruments convertible into shares in the Company below market value.
- 4.5 The Exercise Price shall not be reduced to a price lower than the nominal value of the shares (par value). If an adjustment of the Warrants to preserve their value would result in the Exercise Price being reduced to below par (a price below 100), the number of Warrants (and thus the number of Shares issued upon exercise) shall be amended to preserve the same value of the Warrants at an exercise price at par value.
- 4.6 If the share capital is reduced in order to cover losses, the number of Shares which shall be issued to the Participant by exercising the Warrants shall be reduced (rounded down in case of fractions) proportionately to the nominal reduction of the capital compared to the total nominal share capital of the Company before the reduction.
- 4.7 Notwithstanding the foregoing, the following changes in the capital structure of the Company shall not result in any adjustment of the Exercise Price or the number of Warrants:

- a) An increase or reduction of the Company's capital at market price. To the extent an increase of the Company's capital occurs to a bona fide third party unaffiliated with the shareholders, there is an assumption about the increase occurring at market price.
- b) Issue of warrants, convertible debt instruments or the like to third parties on usual market terms as part of ordinary financing.
- c) Any issue of shares, warrants, convertible debt instruments or the like to the Share group's employees, managers, consultants or members of the board of directors in accordance with an employee incentive Program.

4.8 If the number of new Shares that may be issued by exercise of Warrants is adjusted upwards in accordance with this clause 4, the maximum amount which the Company's share capital can be increased with pursuant to 3.3 and the articles of association shall be increased, accordingly.

4.9 Subject to the provisions of this Warrant Program, the Company's board of directors shall determine whether and to what extent a merger, demerger or an implemented change in the capital structure of the Company gives rise to an adjustment of the Exercise Price and/or number of Warrants.

4.10 Any adjustment of the Exercise Price and/or number of Warrants shall be determined by the Company's board of directors and notified in writing to the Participant no later than thirty business days after implementation of the relevant change in the capital structure of the Company.

5 Termination of employment

5.1 Pursuant to clause 2.4, it is a condition for the vesting of Warrants that the Participant is employed with the Company or a company within the Everfuel Group at the time of Vesting.

5.2 If the Participant's employment with the Company terminates due to; (i) the Participant's death; (ii) the Participant's retirement in accordance with the Participant's employment contract or requirement of law; (iii) the Participant's long-term illness, meaning illness for a period of 6 months or more in which the Participant is unable to fulfil its duties according to the Participant's employment contract; (iv) the Participant's termination of employment due to the Company's material breach of the Participant's employment contract; (v) the Participant being declared bankrupt (or similar insolvency status under locally applicable law), (vi) the Company's termination of the Participant's employment contract without the Participant giving probable cause hereto (in Danish: "*opsigelse uden misligholdelse*"), or (vii) the Participant applying for insolvency proceedings, including but not limited to insolvency procedures under locally applicable law, the Participant shall be considered a good leaver ("Good Leaver").

5.3 If the Participant is considered as a Good Leaver, the Participant shall be entitled to a pro rate vesting of Warrants. The Participant's right to a pro rate vesting of Warrants shall be calculated based on the number of complete months of the Participant's full time employment with the Company from (i) the issue of the Grant Letter (ii) compared to the number of complete months to Vesting. The Participants shall be entitled to exercise, wholly or partly, all vested Warrants at the next Exercise Window after the effective date of the termination of the Participant's employment. Clause 2.7 shall apply *mutatis mutandis*. Unvested Warrants shall automatically and without further notice and without any compensation to the Participant be annulled.

5.4 If the Participant's employment with the Company is terminated due to (i) the Participant's termination of the Participant's employment contract and such termination is not a result of the Company's or the relevant Everfuel Group company's material breach of the Participant's employment contract, (ii) the Participant's material breach of the employment contracts, (iii) the Company's or the relevant Everfuel Group company's termination of the Participant's employment due to probable cause (in Danish; "*saglig opsigelse*") or (iv) the Company's or the relevant Everfuel Group company's justified summary dismissal (in Danish; "*bortvisning*"), the Participant shall be considered a bad leaver ("Bad Leaver").

5.5 If the Participant is considered a Bad Leaver, the Warrants (whether being vested Warrants or unvested Warrants) shall automatically and without further notice and without any compensation to the Participant be annulled.

6 Cash settlement

6.1 If the Participant has the right to receive issued Shares based on vested Warrants, the Company's board of directors may at its sole discretion decide to make the settlement in cash instead of issuing Shares.

6.2 If the board of directors decides to settle in cash, the value of each Share shall be determined based on the (i) average closing price for the Company's shares on the Norwegian Merkur Market the last 5 trading days prior to the board of directors' notice, cf. clause 6.3, (ii) less the Exercise Price (provided that the Exercise Price has not been paid).

6.3 If the board of directors decides to make the settlement in cash instead of issuing new Shares, the Company must inform the Participant hereof no later than on the date when the Company was to implement the capital increase pursuant to clause 3.2.

7 Inside trading

7.1 Sale of shares subscribed for by any exercise of Warrants is subject to the provisions on insider trading applicable at any time, including any internal rules governing trade in shares and securities issued by the Company.

8 Other terms and conditions

- 8.1 The Warrants are a personal right that cannot be assigned, pledged or used as payment to the Participant's creditors. Consequently, the Warrants may not be assigned to neither a Participant's holding company nor to the Participant's spouse. In case of a Participant's death, the Participant will be considered a Good Leaver, cf. clause 5.2 and thus the estate after the Participant will be subject to the rights and terms set out in this Warrant Program, cf. clause 5.3.
- 8.2 The Warrants and Shares or the value of such Shares are not to be included in calculations based on the Participant's salary, including any pension contributions, severance payment, any other agreed or compulsory compensation or damages etc., just as holiday pay or holiday allowance is not to be calculated on the basis of the value of any Warrants or Shares.
- 8.3 The board of directors may suspend or change the issue of Shares if the board of directors deems it necessary in order for the Company or its subsidiaries to comply with relevant Danish and foreign legislation and administrative rules and regulations. If due to a suspension or change caused by relevant Danish and foreign legislation and administrative rules and regulations, the Shares cannot be issued, the issue of Shares will take place as soon as possible.
- 8.4 Should any provision of this Warrant Program be or become invalid in whole or in part, this shall not affect the validity of the remaining provisions of this Warrant Program. The invalid provision shall be replaced by a provision permitted by statute which most closely approximates the intended economic result of the invalid provision. The Participants will not be able to claim any compensation from the Company due to such circumstances.

9 Tax

- 9.1 Any tax and social security contribution implications for the Participants resulting from any grant of Warrants or issue of Shares are of no concern to the Company.
- 9.2 In the event that, as a consequence of the granting of Warrants or issue of Shares, the Company becomes obliged to pay any taxes, social security contributions or any other taxes or contributions, the Company reserves the right to postpone or prohibit issue of the Shares until such time as such Participant shall have paid to the Company, the relevant amount of such taxes, social security contributions or any other taxes or contributions. The Company reserves the right to (i) deduct the amount of such taxes, social security contributions or other taxes or contributions from the salary payable to the Participant, or (ii) to dispose of all or part of the Shares in order to satisfy the Participant's obligations.

10 Data protection

10.1 In accordance with the General Data Protection Regulation, the Participant is hereby informed that the personal data relating to his/her name, contact details, holding of Warrants and Shares and salary will be processed to administrate the Warrants, to ensure fulfillment of the Company's contractual obligations toward the Participant, and to comply with applicable laws, regulations and court orders. The personal data will further be transferred from the Company to public authorities to the extent required in connection with the allocation or administration of the Warrants and the issue of Shares. More comprehensive information about the processing of the Participant's personal data, including the Participant's rights with respect to such processing, can be obtained from the Company upon request.

11 Governing law and venue

11.1 The construction, validity and performance of this Warrant Program shall be governed by and construed in accordance with the laws of Denmark without regard to conflicts of laws principles.

11.2 Any dispute, controversy or claim arising out of or relating to this Warrant Program, or its breach, termination or validity shall be settled by arbitration in accordance with the Rules of Procedure of the Danish Institute of Arbitration. The place of the arbitration shall be Copenhagen, Denmark and the language of the proceedings shall be English, unless otherwise agreed. If more than one Participant becomes subject to arbitration proceedings, fully or partly due to the same set of factual circumstances, such parties agree that the cases can be dealt with jointly by one arbitration tribunal. The arbitration tribunal shall decide the distribution of costs connected with the arbitration case. The existence of an arbitration case as well as any ruling made by the arbitration tribunal shall be kept in strict confidence.

1 The resolution and grant of Warrants

- 1.1 On 21 September 2023, the following warrant program (“Warrant Program”) regarding the issue of 140,000 warrants was issued by the board of directors in Everfuel A/S, CVR no. 38 45 66 95, Ø. Høgildvej 4A, Høgild, 7400 Herning (“Company”) in accordance with the board resolution as of 21 September 2023 following the authorization adopted at the Company’s extraordinary general meeting held on 20 October 2020 in connection with the general meeting’s resolution to authorize the board of directors to issue warrants (“Warrant”/“Warrants”).
- 1.2 Each Warrant gives the participant a right – but not an obligation – to subscribe for one share with a nominal value of DKK 0.01 each in the Company against payment of the exercise price set out in clause 2.10 on the terms and subject to the conditions set forth in this Warrant Program.
- 1.3 The purpose of this Warrant Program is to grant the participants warrants in the Company in order to give the participants the opportunity to participate in the value created in the Company and to ensure that the Company and the participant have aligned interests and that both parties are working to ensure the value of the Company, and thereby ensure that the Company develops in the best possible way.
- 1.4 The Warrants are granted to employees (“Participant”/“Participants”), who are employed in the Company, in accordance with the individual grant letters issued by the Company to each Participant (“Grant Letter”).
- 1.5 In connection with the resolution to issue Warrants, the general meeting also adopted the resolution regarding the cash capital increase attached to the issue of Warrants, equal to an increase of the Company’s nominal share capital by a total amount of DKK 1,400 which amount may be increased or reduced if the clauses on adjustment set out in clause 4 in this Warrant Program so stipulate.
- 1.6 The issuance of the Warrants is authorized in the Company’s articles of association in effect on the date of this Warrant Program and attached hereto as schedule 1.6.

2 Consideration, vesting and exercise

- 2.1 Warrants are granted to the Participant free of charge, i.e. no consideration shall be paid by the Participants in connection with the granting of Warrants.
- 2.2 The Warrants are subject to vesting at the date of the annual general meeting’s approval of the Company’s annual report for FY2026 (“Vesting”).
- 2.3 Further, the Company’s board of directors may at its sole discretion and at any time decide that the Vesting of Warrants shall be accelerated and that such acceleration shall apply to any

or to all Participants. Thus, the Company's board of directors may at its sole discretion and without notice or any compensation to any other Participant decide to accelerate the Vesting of Warrants towards a specific Participant upon delivery of notice to such Participant in accordance with clause 2.6. Clauses 2.5 - 2.13 shall apply *mutatis mutandis* (apply with the necessary amendments, if any).

- 2.4 Vesting of Warrants is subject to the Participant's continued employment with the Company at the time of Vesting, cf. clause 5.
- 2.5 The Participants shall be entitled to exercise, either wholly or partly of minimum 20% of vested Warrants, (i) during a period of 2 years starting from Vesting ("Exercise Deadline") and within a window of 10 business day following the publication of the Company's annual or quarterly reports ("Exercise Window") or (ii) in case of a liquidation of the Company as further described in clause 4.1 (each, an "Exercise Event").
- 2.6 The Company shall inform the Participants about a possible Exercise Event if the reason for the Exercise Event is a liquidation of the Company no later than 10 business days prior to such Exercise Event.
- 2.7 In the event that a Participant wishes to exercise any or all of its Warrants, written notification to this effect must be received by the board of directors of the Company no later than either (i) 10 business days after the date of the Company's notification of a possible Exercise Event if the reason for the Exercise Event is a liquidation of the Company, or (ii) if the Exercise Event is due to the 2 year window described in clause 2.5(i), no later than the later of either the end of the last day of an Exercise Window or the end of the day of the Exercise Deadline. At the same time as giving notice of the exercise of Warrants, the Participant shall pay in cash to a bank account designated by the Company, the exercise price determined in accordance with clause 2.10.
- 2.8 If the Participant is in possession of inside information related to the Company as defined in the Market Abuse Regulation, the Participant may not exercise the vested Warrants and shall wait until the Participant is no longer in possession of inside information before exercising the Warrants. If the Participant is in possession of inside information relating to the Company on the last possible day for the Participant to exercise the vested Warrants, and the Participant – due to such possession of inside information – is not able to exercise the vested Warrants, the vested Warrants will not lapse until 5 business days after the date, where the Participant is no longer in possession of inside information ("Additional Exercise Window").
- 2.9 The Participant is solely responsible for being at all times informed of the terms and conditions of this Warrant Program. No claims can be raised against the Company or any other Everfuel company as a result of the Participant not having been informed of the vesting of Warrants, the deadline for the exercise of vested Warrants or the need for any Additional Exercise Window.

-
- 2.10 The exercise price for each share issued upon exercise of the Warrants shall be NOK 10.06 per share of nominally DKK 0.01 (“Exercise Price”), based on the closing price of the Everfuel share on 20 September 2023 as traded under ISIN code DK0061414711. The Exercise Price may be adjusted as set forth in this Warrant Program.
- 2.11 Upon a Participant’s exercise of Warrants, the Company’s board of directors must ensure that the Company’s shareholders’ register is amended to reflect each Participant’s holding of shares in the Company. Also, the Company’s board of directors must ensure that information regarding the Company’s legal and beneficial owners is registered (if a registration obligation is triggered) with the Danish Business Authority no later than 5 business days after the Participant’s exercise of Warrants.
- 2.12 Warrants that are not exercised in connection with a liquidation or upon expiration of the 2 years’ exercise window, in each case as set out in clause 2.5, shall lapse automatically and become null and void without further notice than the notice set out in clause 2.6 and without any compensation being payable to the Participant.
- 2.13 Until the Warrants are exercised, they do not entitle the Participant to any voting rights, right to dividends or other shareholder rights of any kind in relation to the Company or its shareholders.

3 Terms of new shares issued following exercise of Warrants and capital increase

- 3.1 The following terms and conditions shall apply to the new shares issued by the exercise of Warrants covered by this Warrant Program (“Shares”):
- a) the existing shareholders shall not have any pre-emptive right to the new Shares;
 - b) the new Shares issued on the basis of exercised Warrants shall be paid up in cash at the same date as the notice of the exercise of Warrants is forwarded by the Participant’s payment of the Exercise Price per share for each exercised Warrant;
 - c) the new Shares shall be registered in the name of the Participant in the Company’s register of shareholders;
 - d) the new Shares shall be negotiable;
 - e) the new Shares are freely transferable, as the Company’s articles of association do not contain restrictions on transferability;
 - f) the new Shares shall confer the same pre-emption rights on the holder as the existing shares in connection with future capital increases;

- g) the new Shares shall carry a right to dividend and other rights in the Company from the time when the relevant capital increase has been registered with the Danish Business Authority;
- h) the shares of the Company are not divided into share classes; and
- i) the Company shall pay the legal costs in connection with the issue of Warrants pursuant to this Warrant Program and the costs in connection with the subsequent exercise of the Warrants and the implementation of the capital increase.

3.2 In the event that the Participant provides due and timely notification of the exercise of the Warrants, the Company shall implement the relating capital increase pursuant to the terms set out in clause 3.1 no later than 10 business days after having received the exercise notification issued by the Participant in accordance with clause 2.7.

3.3 The maximum increase of capital that may be implemented on the basis of this Warrant Program is nominally DKK 1,400, equal to 140,000 shares of nominally DKK 0.01 each, which amount may be increased or reduced if the clauses on adjustment set out in clause 4 in this Warrant Program so stipulate.

4 Legal position in the event of liquidation, demerger, spin-off, merger or capital changes

4.1 In the event that the Company's general meeting passes a resolution to liquidate the Company (or another form of dissolution of the Company), the Company shall notify the Participant in writing to this effect. Following this notification, the Participant shall notify the Company in writing within 10 business days as from the date of the notification from the Company whether the Participant wishes to exercise the Warrants, wholly or partly, which have vested in accordance with clause 2. In so far as the Participant does not wish to exercise the Warrants, the Warrants shall automatically become void without compensation, following the expiry of the 10 business days' notification period, provided that the Company is finally liquidated as a result of the notified resolution. Exercise of the Warrants must be in accordance with clauses 2.4 - 2.11.

4.2 In the event that the general meeting passes a resolution to demerge the Company, the Participant shall – after the demerger – have the number of Warrants which shall entitle the Participant to subscribe for shares in the surviving company(-ies) where the Participant is employed following such demerger. The number of Warrants shall entitle the Participant to the same potential ownership interest which an exercise of Warrants prior to the demerger would have resulted in, adjusted by the ratio between the values of the different surviving companies. Moreover, the terms applying to the surviving Warrants shall be the same as the terms and conditions as stipulated in this Warrant Program.

-
- 4.3 In the event that the general meeting passes a resolution to merge the Company, the Warrants granted to each Participant shall continue on unchanged terms if the Company is the surviving company. If such merger results in the Company being the discontinuing company, the Warrants granted to each Participant shall be transferred to the surviving company at an equivalent value based on the terms of trade regarding the shares in the merger. The same terms shall apply in the event of an exchange of all shares in the Company to shares in another company. Should the proportions between the payment for the shares in the discontinuing company and the value of the shares in the continuing company give rise thereto, the Exercise Price and/or the number of Shares that shall be issued for by the Participants' exercising the Warrants shall be adjusted upwards or downwards, as the case may be. Any paid cash amounts relating to a merger shall be deemed a capital reduction and result in adjustments as set out in clause 4.4 e) below.
- 4.4 In case changes are made in the Company's capital structure – before the Participant has exercised Warrants – which entail a reduction or increase of the value of the Warrants granted, the Exercise Price and/or number of Warrants shall be adjusted, so that the value of the Warrants remains the same, in each case on the terms set forth in this clause 4.4, however, with the exceptions set forth in this Warrant Program, including clauses 4.5 - 4.7. Changes made in the Company's capital structure shall for the purpose of this clause only comprise:
- a) change of the nominal value of the shares in the Company;
 - b) increase of the Company's share capital by subscription of new shares at a price below market price;
 - c) issue of bonus shares in the Company (e.g. stock dividend);
 - d) distribution of dividends;
 - e) decrease of the share capital of the Company by means of payment to the shareholders;
and
 - f) issue of warrants, debt instruments or other instruments convertible into shares in the Company below market value.
- 4.5 The Exercise Price shall not be reduced to a price lower than the nominal value of the shares (par value). If an adjustment of the Warrants to preserve their value would result in the Exercise Price being reduced to below par (a price below 100), the number of Warrants (and thus the number of Shares issued upon exercise) shall be amended to preserve the same value of the Warrants at an exercise price at par value.
- 4.6 If the share capital is reduced in order to cover losses, the number of Shares which shall be issued to the Participant by exercising the Warrants shall be reduced (rounded down in case

of fractions) proportionately to the nominal reduction of the capital compared to the total nominal share capital of the Company before the reduction.

4.7 Notwithstanding the foregoing, the following changes in the capital structure of the Company shall not result in any adjustment of the Exercise Price or the number of Warrants:

- a) An increase or reduction of the Company's capital at market price. To the extent an increase of the Company's capital occurs to a bona fide third party unaffiliated with the shareholders, there is an assumption about the increase occurring at market price.
- b) Issue of warrants, convertible debt instruments or the like to third parties on usual market terms as part of ordinary financing.
- c) Any issue of shares, warrants, convertible debt instruments or the like to the Share group's employees, managers, consultants or members of the board of directors in accordance with an employee incentive Program.

4.8 If the number of new Shares that may be issued by exercise of Warrants is adjusted upwards in accordance with this clause 4, the maximum amount which the Company's share capital can be increased with pursuant to 3.3 and the articles of association shall be increased, accordingly.

4.9 Subject to the provisions of this Warrant Program, the Company's board of directors shall determine whether and to what extent a merger, demerger or an implemented change in the capital structure of the Company gives rise to an adjustment of the Exercise Price and/or number of Warrants.

4.10 Any adjustment of the Exercise Price and/or number of Warrants shall be determined by the Company's board of directors and notified in writing to the Participant no later than thirty business days after implementation of the relevant change in the capital structure of the Company.

5 Termination of employment

5.1 Pursuant to clause 2.4, it is a condition for the vesting of Warrants that the Participant is employed with the Company or a company within the Everfuel Group at the time of Vesting.

5.2 If the Participant's employment with the Company terminates due to; (i) the Participant's death; (ii) the Participant's retirement in accordance with the Participant's employment contract or requirement of law; (iii) the Participant's long-term illness, meaning illness for a period of 6 months or more in which the Participant's is unable to fulfil its duties according to the Participant's employment contract; (iv) the Participant's termination of employment due to the Company's material breach of the Participant's employment contract; (v) the Participant being declared bankrupt (or similar insolvency status under locally applicable

5.3 If the Participant is considered as a Good Leaver, the Participant shall be entitled to a pro rate vesting of Warrants. The Participant's right to a pro rate vesting of Warrants shall be calculated based on the number of complete months of the Participant's full time employment with the Company from (i) the issue of the Grant Letter (ii) compared to the number of complete months to Vesting. The Participants shall be entitled to exercise, wholly or partly, all vested Warrants at the next Exercise Window after the effective date of the termination of the Participant's employment. Clause 2.7 shall apply *mutatis mutandis*. Unvested Warrants shall automatically and without further notice and without any compensation to the Participant be annulled.

5.4 If the Participant's employment with the Company is terminated due to (i) the Participant's termination of the Participant's employment contract and such termination is not a result of the Company's or the relevant Everfuel Group company's material breach of the Participant's employment contract, (ii) the Participant's material breach of the employment contracts, (iii) the Company's or the relevant Everfuel Group company's termination of the Participant's employment due to probable cause (in Danish; "*saglig opsigelse*") or (iv) the Company's or the relevant Everfuel Group company's justified summary dismissal (in Danish; "*bortvisning*"), the Participant shall be considered a bad leaver ("Bad Leaver").

5.5 If the Participant is considered a Bad Leaver, the Warrants (whether being vested Warrants or unvested Warrants) shall automatically and without further notice and without any compensation to the Participant be annulled.

6 Cash settlement

6.1 If the Participant has the right to receive issued Shares based on vested Warrants, the Company's board of directors may at its sole discretion decide to make the settlement in cash instead of issuing Shares.

6.2 If the board of directors decides to settle in cash, the value of each Share shall be determined based on the (i) average closing price for the Company's shares on the Norwegian Merkur Market the last 5 trading days prior to the board of directors' notice, cf. clause 6.3, (ii) less the Exercise Price (provided that the Exercise Price has not been paid).

6.3 If the board of directors decides to make the settlement in cash instead of issuing new Shares, the Company must inform the Participant hereof no later than on the date when the Company was to implement the capital increase pursuant to clause 3.2.

- 7.1 Sale of shares subscribed for by any exercise of Warrants is subject to the provisions on insider trading applicable at any time, including any internal rules governing trade in shares and securities issued by the Company.

8 Other terms and conditions

- 8.1 The Warrants are a personal right that cannot be assigned, pledged or used as payment to the Participant's creditors. Consequently, the Warrants may not be assigned to neither a Participant's holding company nor to the Participant's spouse. In case of a Participant's death, the Participant will be considered a Good Leaver, cf. clause 5.2 and thus the estate after the Participant will be subject to the rights and terms set out in this Warrant Program, cf. clause 5.3.
- 8.2 The Warrants and Shares or the value of such Shares are not to be included in calculations based on the Participant's salary, including any pension contributions, severance payment, any other agreed or compulsory compensation or damages etc., just as holiday pay or holiday allowance is not to be calculated on the basis of the value of any Warrants or Shares.
- 8.3 The board of directors may suspend or change the issue of Shares if the board of directors deems it necessary in order for the Company or its subsidiaries to comply with relevant Danish and foreign legislation and administrative rules and regulations. If due to a suspension or change caused by relevant Danish and foreign legislation and administrative rules and regulations, the Shares cannot be issued, the issue of Shares will take place as soon as possible.
- 8.4 Should any provision of this Warrant Program be or become invalid in whole or in part, this shall not affect the validity of the remaining provisions of this Warrant Program. The invalid provision shall be replaced by a provision permitted by statute which most closely approximates the intended economic result of the invalid provision. The Participants will not be able to claim any compensation from the Company due to such circumstances.

9 Tax

- 9.1 Any tax and social security contribution implications for the Participants resulting from any grant of Warrants or issue of Shares are of no concern to the Company.
- 9.2 In the event that, as a consequence of the granting of Warrants or issue of Shares, the Company becomes obliged to pay any taxes, social security contributions or any other taxes or contributions, the Company reserves the right to postpone or prohibit issue of the Shares until such time as such Participant shall have paid to the Company, the relevant amount of such taxes, social security contributions or any other taxes or contributions. The Company reserves the right to (i) deduct the amount of such taxes, social security contributions or other

taxes or contributions from the salary payable to the Participant, or (ii) to dispose of all or part of the Shares in order to satisfy the Participant's obligations.

The personal data will further be transferred from the Company to public authorities to the extent required in connection with the allocation or administration of the Warrants and the issue of Shares. More comprehensive information about the processing of the Participant's personal data, including the Participant's rights with respect to such processing, can be obtained from the Company upon request.

The place of the arbitration shall be Copenhagen, Denmark and the language of the proceedings shall be English, unless otherwise agreed. If more than one Participant becomes subject to arbitration proceedings, fully or partly due to the same set of factual circumstances, such parties agree that the cases can be dealt with jointly by one arbitration tribunal. The arbitration tribunal shall decide the distribution of costs connected with the arbitration case. The existence of an arbitration case as well as any ruling made by the arbitration tribunal shall be kept in strict confidence.
